## GOVERNMENT ANTAGONIST AND HUGUENOT

"Dan, you and your Rangers come in from the south. Mr. Harris, Big Bob and Little Bob will cut them off from the east. The Corporal and I will come in from the north with some of our boys and Honner, with his Bar T boys from the west. As soon as we are set to go, I'll fire the first shot. I think they are holding their captives in a small adobe on the north side of the rancho. Kill them all! Ready, Corporal?"

"You bet, Captain!"

"Who's shooting? It's coming from that adobe on the north side... and the Comancheros are shooting back! That would be my angle!"

"Let's go! Come on, boys! We've got 'em retreating into the old hacienda... the Rangers are advancing along with Honner and our boys from the east."

"I think they are giving up, Captain!"

"We've beaten the crap out of them, Corporal! Look, it's Rhea and some other women and girls coming out!"

"It's about time you got here, Cap! Is that my pistol?" Rhea asks excitedly. "I've got a score to settle with one of those back shooters!" Boom! "That's for Charlie, you scum!" Boom! "And that's for smacking me in the head with your rifle butt."

"Wo! She just shot that man's privates off, Captain!"

"That she did, Corporal! How did you get the guns from them, Rhea?"

"It was easy. We just suckered the guards in by showing a leg or two, and when they came thought the door, all eleven of us jumped them and shot them with their own guns! Can we go

home now?" Rhea turns, "Mr. Harris, this is Nancy Lang! She is from Wessex! She is English like yourself and single."

"A pleasure to meet you, mam!"

"And I you, Mr. Harris!"

"Well, well, Corporal."

"The Rangers will take care of the rest of these desperados. Everyone alright?"

"We lost three, Captain, and two wounded!"

"Dan, we are heading home. Finish them off for us"

"You bet we will, Captain! See you again soon!"

"Come on, Rhea, I think Mr. Harris is going to be getting married soon!"

"He's not the only one! 'A,' Captain? Time to finish that new house!! Oh, Dan! Hang that one I shot on a cactus."

"Yes, Miss Rhea. Your wish is my command!"

See you on the bridge!

P.S. I don't know about you, but I think it's time to drop a huge egg in the supreme leader's stinking lap in Tehran, and end this for good. That evil S.O.B. needs to find out what the wrath of God is all about!

P.S.P.S. Joe Bite-Me and the rest of the Democraps are going to be on the run soon! If we are lucky, they will get a good ole ass whooping in the Fall!

It's time to take our country back and straighten out the mess they have made. I wonder if Warren can do a hoop dance?
