

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Hope you had a great Christmas and a Happy New Year. This new year will be one to pay attention to. The DNC imploding—and, to their dismay, Trump is already taking control. No matter what they do, they can't stop the walls of their Jericho from tumbling down.

Putin is totally ignoring Obama and his minions; he has agreed to hold off on any retaliations... and to negotiate with Trump instead. So it seems we have a chance with the people that Obama and Hillary would have caused World War III with... just to cover up their crimes against the American people. They tried to murder millions of us just to cover up their ambition for power and greed—and to make themselves rulers of the world!

That sounds familiar!

Anyone remember World War II, Korea, Vietnam, etc?

Obama isn't done yet, he is still trying to screw up as much as he can before he leaves... all of which will have to be undone.

Obama is staying in DC! I'm glad. That way, we will know where to lay our hands on the usurping criminal.

Well, time to ride! It's cold as... well, it's that cold! The corporal has announced he is getting married to the widow. She took care of him when he got shot and, evidently, fired up quite a relationship. Our new vagabond friend is quite the horseman. He said, when asked if he knew anything about cattle, "milked one once!"

Those who expect to reap the blessings of freedom, must, like men, undergo the fatigue of supporting it.

- Thomas Paine

See you on the bridge!

P.S. The French and now the Germans (not to mention a Russian ambassador)... if they don't start purging soon, I will be real surprised. France and Germany are well known throughout history for purging themselves of what they consider undesirables. So, stay tuned... it's all at a boiling point! The resignation of Merkel is being called for in record numbers You see, this is what happens when you have weak, childish so-called leaders!!!

P.S.P.S. This little friendship between Lankford and lily-livered Lindsay Graham and the teetering old fool McCain needs to end! Graham and McCain were and are still part of the problem and flipped whenever the Democraps threw them a few scraps. They need—as Obama—to be gone!
