

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Happy New Year! A whole new year without hope of leadership and a House and Senate full of liars, thieves and cowards!

Anyone know who is in charge? It's not Bite-me! It's not the Camel! Is there anybody out there? Out there? Out there? Out there? Out there?!!! There is a rumor out there that Bite-me is more interested in riding his bike and eating ice cream than our country, which he is busy selling out! If you think Putin won't invade the Ukraine, then I've got some swamp land I'll sell cheap! The Chinese are probably waiting to invade Taiwan at the same time.

These imbeciles, old Joe and the Camel, won't have the slightest idea what to do! They think sanctions will stop them. When Putin and #11 (Xi) stop laughing, so will this old Reb! Until then, I'm still hearing the screams, the sounds of machine guns, people begging for their lives... Don't you hear it? Can't you smell the river of blood flowing from Afghanistan!

The democraps can't and totally ignore what they have done. After all, they are the elite! And the elite make the most arrogant of murderers and monsters! The new slogan in New York is "Seig heil!!!"

Time for this old Reb to ride!

"Well, Captain, congratulations are in order, to you and Rhea and your new daughter!"

"Thanks, boys! Waiting was as bad as awaiting a Yankee charge!

Mr. Harris, time for a drink or two... or three!"

"Aye, Cap! Maybe the whole jug! A?"

"Hey, big Bob, come in!"

"Captain, you need to come outside and see this! Several Kiowas are in the yard and want to see you! They brought their women with gifts for Rhea and the child!"

"Tall Elk, my friend! I have no words worthy of these gifts! Come to the porch and sit and smoke with me!"

"Big Bob!"

"Mr. Harris! I have been around the world and have seen many things! This is up there with the best!"

See you on the bridge!

P.S. The so-called infrastructure bill is nothing but grief for the entire country. But, then again, that is the democrap plan anyway. Subdue with propaganda and rule us with the iron hand of socialism or communism... which is just as good to them! They are doubling down because they are running out of time. Elections

are coming up and they look to get slaughtered!

Make no mistake, we free people are in the fight of our lives to stay free!!!

P.S.P.S. It's time for a real insurrection, not a made up one! The old Reb's birthday is here again, January 6th. Don't take the shot!!!

Viva Liberty!!!
