## GOVERNMENT ANTAGONIST AND HUGUENOT

Call to arms in Syria, by the Greek Orthodox Bishop of Antioch. Well, I was right! This year the war is on it's way. Catholic sisters kidnapped by Al Qaeda and being held as hostages... and the Bishop of Antioch calls for Holy War on the Muslims that have invaded the church in Antioch and the Christian city of Malloula in Syria. Not to mention the kidnappings of two bishops in April—of whom there has been no word.

I, for one, have had all I'm going to take from these goat herders. We should return he favor in kind. Don't wait for our now well dressed man of the year Pope to do anything. He and the Cardinals and bishops at the Vatican are too busy living the rich and famous "John Kerry life style" to actually do what the creator is screaming in his ear to do. The Seventeenth Crusade is about to begin. I'm sorry! You didn't know there have been sixteen crusades before?

The new problem that will make this one different is the Iranian nukes. They will set the world on fire as never before, which is exactly what Islam and the Ayatollahs want. They think they will be untouched! Like it or not, we are all tied to the Catholic church. If you call yourself a Christian, you are obligated by your religion to do as our creator demands! You say, "Well, I'm a Baptist, not a Catholic." I say Peter was one of the apostles and started the first church. I say Jesus was a Jew and the Christ that we, as Christians, call our Savior. You Presbyterians and Lutherans all believe and preach the same words, but argue about a few insignificant points... otherwise still Christians! Are you not? If you are a Christian, the Al Qaeda could give a shiit which denomination you belong to... they will still rape your daughters and murder your sons because they want the world to bow to their pagan god, "Allah!" (see Rebel Speaks Vol. 2, Issue 14)

**"The precept of the Koran is perpetual war against all who deny, that Mahomet is the prophet of God. The vanquished may purchase their lives, by the payment of tribute; the victorious may be appeased by a false and delusive promise of peace; and the faithful follower of the prophet may submit to the imperious necessities of defeat: but the command to propagate the Moslem creed by the sword is always obligatory, when it can be made effective. The commands of the prophet may be performed alike, by fraud, or by force."**

**Founding Father John Quincy Adams**

Oh, yea! they will eventually seek me out and anyone else like me... to shut us up. The word of Christ is their biggest enemy and anyone who carries his word to others.

Islam is a cult of murder, lies and intimidation and until it is wiped clean from the earth there will never be peace! Death to Islam! I bow to the Savior!!!

Time to ride, the Chaplin is calling for prayer time. The battle is beginning!

See you on the bridge!

P.S. Our lying-out-of-the left-side-of-his-usurping-mouth leader is, by his inaction, aiding and abetting their actions—trying to bring our country to it's knees to help them. Remember, he is not one of us. He was born a Muslim, he goes through the motions in order to do the Ayatollah's bidding. Once a Muslim, always a Muslim. It's kind of like the mob or the I.R.A.... Once in, never out! By the way, how was your "Christmas" and new years? His was pretty good—to the tune of millions. Have you got a million bucks? "No," you don't. think it's because he is stealing yours as fast as he can spend it?

P.S.P.S. Don't expect NBC, ABC or CBS to tell you this. They are the propaganda machine for the Socialist party... I mean the Democrat party! I mean Obama-pie!

Little hint to any Muslims who want to get to the old Reb and shut me up: I shoot back! Not to mention, if my sons catch them, they would be wrapped in a fresh still bloody pig skin and thrown in the river still screaming! Think I'm a zealot? Think about who's attacking and killing us as our so-called leaders do nothing to stop them!
