

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

This old Reb's cousin passed away on January 9th.

This is a tribute to him, a veteran of the Vietnam War.

He served on the USS Enterprise and won a citation award for aiding a pilot to land his plane on the aircraft carrier, on an emergency approach.

My cousin was on deck and saw that the signal man was not yet there. He picked up the flags and began to bring the plane and it's pilot down safely. He had watched the flag signals done

many times and knew what to do.

There is a pilot out there who owes his life to Jack.

There are many more like him. We don't revere them enough. Heroes each and every one.

I salute you!!

Aloha, Jack. Smooth sailing!

See you on the bridge!

U.S.S. Enterprise
