## GOVERNMENT ANTAGONIST AND HUGUENOT

Treason! Treason! Treason! I think that I have said this before. Schumer the Rat fink and his minions shut down the government of the United States for the sole purpose of destroying our country for their own purpose, which is to rule! I suggest we, the people, now must act and grab him and Nancy by the scruff of their necks and hang them high! They put the very security of our country at risk so they can destroy our ability to defend ourselves from our enemies.

Who is paying them off?

I know Democraps are natural traitors and they have been fleecing this country since the outset.

They wont stop til we stop them ourselves. They are the injustice system. Our sons and daughters overseas are being held for ransom by these Democrap back shooters, as well as we the people!

Why don't we send the bill to Schumer and Nancy and make them pay for all this... after all, Schumer is a billionaire and Nancy and Diane both millionaires. They caused it... so let them pay for it! "A?"

These rats are and always will be criminals. Time for these bastroids to pay. The Republicans who helped them should be drawn and quartered.

They have to pay for their treason. I'm tired of being the one who pays! Aren't you???

Time for this old Reb to ride. It snowed yesterday, here on the plains. The night cold and crisp and clear. So many stars. I wonder why the call Wyoming and Montana big sky

country? After all, the mountains are in the way.

Here the starts are horizon to horizon—it is truly big sky country. Room enough for all, except for those it belongs to! Had my old pistol converted to fire these new fangled cartridges! No more cap and ball!

See you on the bridge!

P.S. It's really amazing how treasonistic cowards and self-empowered twits who end up governing and entire country are. How do we, as Americans, stop this? It surely is no longer by election, as the bar ass-ociation has taken our governing bodies hostage. The secret is to disband the bar

ass-ociation, which is the most corrupt organization in this hemisphere. They are liars and thieves that would give even Ali Baba and the 40 thieves a bad name.

Time to dissolve this corrupt bunch of bandits and reorganize our injustice system. People like Chuck Schumer and his entourage need to be jailed in their own cages, and brought down from Mt. Olympus, as they are not gods (as they believe) because of their massive amounts of our money in their corrupt pockets. Remember, it is we, the people, not them—the bar ass-ociation!

P.S.P.S. The Trumpster! Jobs, growth of our gross national product, strong military, prosperity! Democraps! Open borders, fiscal disaster, destruction of our country!!!

Democraps = endless misery!!!! Les Misérables! To the Republicans who vote with the Democraps, I call them traitors to their own kind and a curse of the pox upon them forever!
