

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Our goose is cooked! That usurper is not going to balance the budget, but wants to blow another six trillion dollars instead! My god, we are at \$18 trillion now... that would make our debt \$24 trillion. He wants to give our base in Cuba over to the Castro brothers and is consorting with the Muslim Brotherhood. John "Scary" Kerry is busy booking Peter, Paul and Mary for his next incompetent debacle and Boner and the rest cower in the corner!

What the hell? Has everyone got their heads totally up their butts? Are we so much more interested in our Super Bowl and Blu-ray than our country? Are you going to let this outlaw and his gang finish us off, while the Lie-yers live high on the hog and help the dictator spend us into never never land? What the damn hell are you people doing out there? Has everyone just taken a dumb-ass pill? Treason! Treason! Sabotage, collaboration with our enemies, embezzlement on an astronomical scale! Al Capone only wished he could have done us in so well! We did something about him... why not the Obama gang?

I'm only one old man—you have got to stand up and end this bastard's run of crime! Come on, put your toys away and help me stop this wana-be king. The United States will soon be a part of the United Arab Emirates! Is that what you want? Our son's and daughters are murdered by Islamics; our money is blown as if the money forest covers the entire face of the planet; the media propagandizes your children and the illiterate masses while we just fade away into oblivion.

My so-called countrymen, you make me ashamed to stand next to you. I have said it's time to hold a Continental Congress. Like, way past time! And all you can do is ask, "Well,

how do you do that?" And I told you how, so what's the hold up, "A?" Are you waiting to see this Old Reb wave his rifle at Homeland Security and be shot dead for six o'clock news entertainment, so they can call me insane and a zealot? Are you waiting for a show? What the hell are you waiting for? Are you mice or are you men?

Time to ride; this Old Reb smells a skunk. Don't want to be here when he sprays! I figure, if my entire crew is running, there is an excellent reason I too should get out of the way! He seems content to hang around the chuck wagon and dinner was almost ready! Time to shoot that pole cat!

See you on the bridge!

P.S. Our dictator's little trip to India and over to meet with the Arabs with a C-130 in tow (with all their cars and goodies) only cost us \$129 million we don't have anymore. You know, I've been trying as hard as I can to wake people up and piss you off! Have I not yet succeeded? Or have I? Come on boys and girls. I have published the phone numbers of our Representatives and Senators. All you have to do is dial their numbers and scream, "Treason," into your phone at them! They need to be prodded with our disgust and our resolve to do what

needs to be done — get rid of the outlaws in our government!

P.S.P.S. Are we minions to be ruled by the avaristic and pampered socialists, such as Bloomberg and Nancy P.P., as the peasants they believe us to be? Or are we going to stand up and say, "We the people rule and you owe! How are you going to pay back the \$24 trillion soon to be debt? And we won't take plastic or your stinkin' checks! I'm doing it! Are you?

I cannot stand the volley alone! But I will if I have to.
