## GOVERNMENT ANTAGONIST AND HUGENOT

Dr.! Dr.! Mister M.D.! Won't you please stop screwing me! Dr. Tom! Dr. Tom Coburn. Are you a Republican or are you a Democrat? No one seems to know. You ran for election on the Republican ticket, but you vote like a Democrat! I believe your constituents—that is the people that voted for you—expect you to do as you promised you would do: have a spine and say, "No," to Obama's man Schumer. Stand for the Republican party and stop your quisling-like, cowardly on-your-knees-crawling at Obama's feet! "Oh," great learned Doctor.

We here in Oklahoma are tired of you selling us out. We need and want strong leadership with the people that we elect. I've never seen such embarrassing conduct on the part of our elected officials. Maybe it's time for Dr. Tom to get the hell out of our office and fade back into obscurity where he belongs, so we can somehow live it down... that we are even part of such a yellow-striped deficient in D.C. as our Representative.

I mean, what the hell is he representing anyway? What the hay are we paying him for? He has done nothing but cave in to the very whims of Obama when we told him not to. He's getting richer and shooting us in the foot at the same time. "Gee," Dr., what do you plan to spend your thirty pieces of silver on... a golden stethoscope? So you can hear the dying heartbeat of the freedoms you helped to destroy?

You know, Judas did the right thing and hanged himself, but I don't see you doing that. But you are hanging your political career. As far as the old Reb is concerned, you can come home and pack your Shiite crap and move to Chicago, so you will be closer to Obama's butt for kissing up to him when he retires from the Throne!!!

Let me say it clear, so you can understand, Dr.: Keep your stinking hands out of our pockets! Leave our guns alone!! And stop screwing with the damn constitution. I think that is clear and to the point. You pompous Vichy collaborating socialist traitor!!!!

**Stand upright, speak your thoughts, declare the truth you have... that all may share. Be bold, proclaim it everywhere. They only live who dare.**

- Voltaire

**You cannot run away from weakness; you must some time fight it out or perish; and if that be so, why no now, and where you stand?**

- Robert Louis Stevenson

**Government is not reason; it is not eloquence. It is force. And force, like fire, is a dangerous servant and a fearful master.**

George Washington

**We must hang together, or, assuredly, we shall all hang together.**

- Benjamin Franklin

Enough! You are as much the problem as the gangbangers that prey on us at home and on the streets. I know that you think that you are, as a doctor, God's gift to humanity, but I've got news for you, "heir Doctor." Without the people that make up your constituency—the plumbers and carpenters, bricklayers, electricians—who give life to your expensive toys and the structures to house them... you are nothing but a rock chucking cave man, skinning rabbits for your dinner.

Stand your ground as the Republican you ran for election as, or take your thirty pieces of silver and go!

No surrender! No retreat! You have heard this before.

Time for the old Reb to ride. Yankee gun boats have begun to shell Memphis. We're riding to reinforce!

See you on the bridge!

P.S. Kaiser Wilhelm retired very comfortably into exile. Why don't you take his lead Dr.?! Cuba is nice, they say, this time of year. And I'm sure you already know Fidel and his benevolent brother, Raul. You know what they say: "Birds of a feather flock together!!!" I've posted the Doctor's latest deeds on my site.

Read 'em and weep!

P.S.P.S. My ancestors did not give everything for their country just to have given over to another kind of tyrant! Let Freedom ring and our enemies tremble at our approach.
