

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Putin stopped laughing and so has this old Reb! Bite-me is trying to start a war! This time it won't be a police action in some back-water jungle or in caves and desert mountains in the country old Joe abandoned, which is still ongoing! No... he is starting World War III. The Russian navy is on the high seas and ours is anchored, for the most part.

Whose child will be the first to die for the democrap party and another war they have pushed us into? It only takes one little noise on the frontier, or one tiny misunderstanding, to set it off. A sneeze! A broken twig! A paranoid,, scared stiff private!
"Voila" - World War III begins!
Total insanity!

All this old Reb can say is, this gives China an open invitation to invade Taiwan! I mean, if I were #11 (Xi), I would let the little butt-bite in North Korea start something there and take a boat to Taiwan... and let the army have shore leave!

I am so flabbergasted with all the incompetence! We do not have a functioning government at all! It seems we are being governed by the media and all knowing so-called journalists, who know, but take the money and look down on the rest of us, just like the politicians and Hollywooders. They also practice cannibalism... They will eat anyone, any time if they don't agree.

I really don't want to go to war with little boy blue riding his trike with a hand full of ice cream at the helm! "A?" How about you???. Would you follow old Joe once more into the breach???

Time for this old Reb to ride!

"Come quick, Cap! The Colby boy fell from the new wind vein.

He stepped back and lost his balance. He was helping his Pa with veins on the wheel on top!"

"Bring him inside and go for that new doctor in town. Waste a horse if you have to, Little Bob... but hurry!"

"He's all busted up, Cap!"

"Get water, Mr. Harris! Mr. Colby, this boy is tough! He'll make out. We'll take good care of him. I kind of know what he is going through! Look at me, boy! You just have to hang in there! You're

a better wrangler than the rest of us. Whose going to break all those horses in the spring? Mr. Harris, go and get the Corporal and his wife!"

"Aye, Captain, I'm on my way!"

"Captain!"

"Yes, boy?"

"This ain't nothin'! I'll be up in a couple of days! You'll see!"

"That's it! You show me!"

See you on the bridge!

P.S. Trudeau is hiding and the Canadian truckers and farmers are hammer down! It won't be long till our truckers shut down old Joe! Hint! Hint! This old Reb knows what hammer down means. Let's show old Joe!

**"Follow me,
mon ami!**

**We shall rule
the world!**

By the way...

**Does anyone
know
where
Kyiv is?"**

P.S.P.S. There was a day when a bucket of tar and a bag of feathers, with a ride on a rail went a long way.

I believe there are some prime candidates at GoFundMe! "A?" I am tired of politicians and big corporations trying to control my life. You know how to get control of them?: If you own stock, dump it. Don't buy their products. Cut them off completely! Tell them to go fund that!!!!

And don't take the jab!
