

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Teddy Roosevelt has done a double back flip in his grave! Clintons had Waco! Obama had Benghazi! And now Bite-me deserts Afghanistan, involves us in war with the Ruskies, collaborates with the Chinese, and sells out everyone of us.. You know, the entire country, "We the People!"

This time, Biden has abandoned our security! That balloon should have been nailed the minute it crossed our border. Well, what the hey... that goes right along with the abandonment of our wide open southern border! "A?"

Of course, the Chinese have claimed it to be a harmless weather research vehicle. They are Commies and their sole purpose is to lie, deceive and confuse, while they shoot you in the back. Sounds just like the democrap party! Bite-me says he gave the order to destroy the balloon a week ago! B.-S. (cough ,cough) And I didn't sneeze!

This is the most corrupt bunch that has ever sat in the White House. I don't know about you, but I am so outraged! I am now beyond outrage! Way past time for "Ole Joe" and the rest to go. What a bunch of traitors! That so-called civilian balloon was transmitting in real time to banks of little Commie computers, receiving data from which 3-D maps can be made with accuracy like you have never seen. I personally own an Oklahoma gazette, which is detailed to elevations, buildings, rivers, creeks, trails, etc. I suspect theirs will put mine to shame.

I wonder how many gallons of ice cream "Ole Joe" consumed and how many laps he did on his trike before his handlers gave the true order four days late. Ladies and gentlemen, our country is in big trouble.

We don't even know who has crossed into the U.S. to do us in!!!

Our Congressional men and women have now all violated their oaths of office.. Call your Representatives and Senators

(see <https://rebelspeaks.weebly.com/congress-and-links.html>) and express your own outrage. Time to make them put up or shut up and come home!

Last time I was this tense, the Cuban Missile Crisis was going on. I was eleven years old and scared to death. Everyone who could were building (not storm shelters) fall out shelters!

Time for this old Reb to ride.

"Have you seen that Colby kid ride the horse you gave him, Captain?"

"What are you thinking, Mr. Harris?"

"A race! The Double S horse and the Colby kid!"

"Not a bad idea, Mr. Harris! You know, the Bar-T bunch say they have a horse that cant' be beat. Send out the word, Mr. Harris! We're going to have a race!"

See you on the bridge!

P.S. The state of the union is crap!! We are in a war started by the democrap. Prices are sky high, our borders wide open and we have no legal leadership in the oval office! So, what do you think the state of the union is, "A?" I think I hear a toilet flushing... Biden opened his lying mouth!

P.S.P.S. If you think the invasion is only coming across the Southern border, you are mistaken. They're coming across the Northern border, too. Border agents report a 743% increase in those caught crossing and that's in Vermont and New York alone. In fact, Swanton Sector Chief Patrol Agent Robert Garcia reports that despite arctic cold people from 8 different countries have been stopped trying to cross, using "well-worn paths" and leaving the once pristine wilderness strewn with trash and debris.

And that doesn't even cover the entire rest of the Canadian border. We are in real trouble, Americans. Buckle up, patriots.
