

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well! Well! Well! As predictable as ever... Iowa Yankees give their votes to Cruz as number one runner for President. Yep. Once again voting for the same old crap. Trump, on the other hand at second place doesn't seem to give a damn. On the other hand, the Communist and the criminal are still in a dead heat. When I look at these people, all I can think is, "My god, can it get any worse?"

The stock market is opening in downward spirals every day now. While the regime is telling us about all the wonderful growth going on. Meanwhile doing business with our enemies and setting us up for adherence to Sharia law, enforced by U.N. troops. All in order to complete their plans to dump our Constitution and put us under their new World Order... which will happen if a Democrap or Cruz "the weenie" gets elected.

The only really viable candidate out there is Trump. If any of these others get elected, we are finished as a country.

The newly labeled "Three Stooges" are giving us over to the wolves while Hillary sells our secrets out the bathroom window. We need it to stop and these treasonous S.O.B.'s pay for their treason. I don't think

Cruz is up to the job of reversing all their crooked crap. He seems, to me, to be soft, weak and just one more of the same old stuff—compromise and run! Cruz has spent the last twenty five years in Washington, so why hasn't he pointed his finger at Obama and screamed, "Treason," at the top of his lungs? "A?"

These guys were standing there acting like children during the recent debate.

"You did this!"

Democrats have been in the White House at the beginning of every foreign war this nation has ever entered into.

Democrat was President during the Cherokee Trail of Tears.

Democrat was President at Wounded Knee and Custer's slaughter at Washita.

Democrat President Carter was in charge during the 1979—1981 Iran Hostage Crisis and the infamous Delta Force disaster.

Democrats in Congress blocked the Black American's rights to vote—that was passed by Republicans.

Democrats in Congress blocked Women's right to vote—that was passed by Republicans.

NOTICING A PATTERN HERE ?

"Well, you did that!"

"So what!"

"My daddy is bigger than your daddy and I hear my mommy calling!"

My god! Is this the best they can do? No wonder Trump is leading in the poles and climbing. He is the only one who can even come close to winning. All these other candy-dates show is their lack of leadership qualities.

It's funny, Bernie is trying to differentiate Socialist as opposed to a Democrap Socialist! There is no difference! A Commie is a Commie!

Well, time to ride! We have strung wire to a small settlement called Dodge. Heard it's a good place to get a good night's sleep!

See you on the bridge!

P.S. Looks as though the stand off is over in Oregon. It looked as though they were going to engage for a while. The F.B.I. getting away with the killing of a sixty-eight year old man! Real brave F.B.I.! Great going! You guys are becoming magnificent murderers!

P.S.P.S. This is it! 2016... the year it hits the fan. Be sure to duck! Sorry you haven't heard from the Old Reb... but duck season just ended. If it flies and quacks, it dies!
