

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Pocahontas has declared her intentions to run for President. I'll let you know when I'm finished laughing my ass off and it hits the floor. I wonder if she has ever attended a pow-wow on the Windriver Reservation? I wonder just exactly how warm a reception she would get from A.I.M., "A?"

Do you suppose they would jump at the opportunity to make her an honorary member of their tribal council?

We have pondered her in the not to distant past, I believe. My god, who are the Democraps going to throw out there next? Sooner than later Michelle is bound to pop up. Hillary is out.

Nancy PP waits in the wings, or so she thinks. This geriatric twit could hopefully drop from a twit aneurism any moment and she wants to run our country!

My god, all they have to run on is to do away with cattle, cars, airplanes and use fertilizer made from dead humans (which is being experimented with in Washington state by a bunch of Democrap scientists to grow our "taters" and "carrots!" Tasty!!

Oh, well, just think of all those worries about burial expenses and a head stone have now all been solved. More room for

the so-called elite and their monuments to themselves. "A?" Adds new meaning to bury me on the lone prairie!!

Time for this Reb to ride.

"Hey, good morning, captain."

"Is it?" I feel like hell, Mr. Harris! That was a big kitty cat!"

"You need to stay still; the doc put about a hundred stitches in you!"

"Where is the angel, Mr. Harris?"

"Oh, you mean Rhea, captain? She has been here every day since she and Little Bill brought you home. She is going to be here later!"

"I thought I was dead, Mr. Harris! Is it possible a live human can be so beautiful, Mr. Harris?"

"Aye, captain. I think you found the leprechaun's treasure for sure

there, captain! For sure! For sure!"

See you on the bridge!

P.S. Build the wall. Nancy has one!!!! Why does she need one?! "A??"

P.S.P.S. Abortion? You decide. Be sure you make the right choice.
