

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGENOT

I can't believe my ears! Mr. Obama-pie and his entourage of clowns insult the Catholic Church! How dumb is stupid? That is the same as hiking his harry black leg and pissing on the Pope's ankle! Not only did Catholics everywhere take offense, but clerics in many other religions have taken offense as well. Why? Because this is aimed directly at our religious freedom, as many of his other insults!

Remember, in most Communist states there can only be one state controlled religion or none at all! So, how do you like those apples? You know, with a socialist state, all aspects of your life must be government controlled. The problem they find about religion is that it causes clashes... so, in order to eliminate dissention, the removal of religion from daily life is often the Communist, Fascist way; it works through ignorance and intimidation, or fear. That which drives people into secret places in order to worship their god or deity. That which eventually turns to armed resistance and then war. The destruction of it all.

Everything our forefathers fought and bled for. Everything those of us who work have gained! It's way time for this carbuncle on America's ass to be gone!

Let him take his whole circus and get out of town. The longer he is in our capital, the more it adds to another day of war against our way of life, our industries, our daily bread. If you want to keep your freedom you need to vote for freedom, which is not a vote for "Der Führer!"

I'm waiting, like everyone else, to see who wins the Republican nomination. Whoever it is, vote for him and we'll clean up the mess later. Are we supposed to wait until

"We can't expect the American people to jump from Capitalism to Communism, but we can assist their elected leaders in giving them small doses of Socialism, until they wake up one day to find that they have Communism."

"When you are skinning your customers, you should leave them some skin on to heal, so you can skin them again."

"The United States will eventually fly the Communist red flag... The American people will hoist it themselves."

**Nikita Khrushchev,
Former leader of the
Soviet Union**

"Communism has never come to power in a country that was not disrupted by war or corruption, or both."

**John F. Kennedy
U.S. President**

our goose is cooked?

Well, it's once again time to ride. I smell something cooking! Don't want to be late!

See you on the bridge!

P.S. The other day I gave money to a homeless woman. I did it because she wasn't begging on some street corner. I asked her to take the money because it was the right thing to do. I refuse to give money to corner beggars. Especially after encountering the same beggar in both Des Moines and Tulsa. If they can spend all day standing on a corner begging, they can find a job and stop telling me I owe it to them because they are too lazy to work!
