

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

I feel a breeze through the back barn door, as if someone left it open to the winter winds! I had to check to make sure the back flap on my long undies wasn't down! You know, like our borders!

We have been left entirely wide open by "Ole Joe." Our Defense Secretary is totally incompetent. But then, so is the rest of D.C. and now Mayorkas is off the hook. Say good bye to whatever is left of our border. And three traitor Republicans were in on it along with Turtle McConnell.

I never thought, in my life time, I would see so much treason on the behalf of those who swore a blood oath to their countrymen to serve and protect!! So, the "Big Mac" Mayorkas gets impeached,, but guess what... Schumeroid and the Turtle will never let it pass in the Senate. It was all nothing but a sham at our expense!!! Mayorkas isn't going anywhere! He hasn't done anything to fulfill his oath! He is a traitor to this country!!

Meanwhile, Fanni lies her fanny off in front of a committee investigating her. Now she refuses to show back up before the committee. It's just more disregard for our justice system by democraps, as well as our border... wide open!!

Time for this old Reb to ride!

"Well, there it is, Mr.. Holly. House needs repair, the barn is still in good shape!"

"Captain, Little Bob says there is a horse standing back of the barn and there's a dead man just outside the barn.

"He's been shot, Mr. Harris!"

"Aye, Captain! It looks as if he's been shot twice in the back."

"Jimmy, you and Charile Holly go for a Ranger! We'll wait right here!"

"Wonder who he is, Cap!"

"Don't know, Mr. Harris. Check and see if you can find a name on his gear."

"Captain, we found a couple of bank bags and tracks of about three or four more going northeast."

"Aye, Captain, it seems we've got a mystery on our hands!"

"I think you're right, Mr. Harris!"

See you on the bridge!

P.S. Nikky Haley is getting totally Trumped everywhere she goes. At the same time, she is taking donations from the democrap party to stay in and foul up Trumps campaign financing. At the same time, Fanni is getting her fanny in the fryer and can possibly be disbarred! And Trump just keeps marching

on!!

P.S.P.S. While "Ole Joe" escalates he cuts 24,000 army troops and, at the same time, 20-30,000 Chinese have crossed our Southern border, all of fighting age.

You don't suppose he plans to form a Chinese guard to stand between him and us when he takes permanent office?

He is still taking Chinese money!!!
