

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

My heart is broken. The little girl murdered in Springfield, Missouri—Hailey Owens. Another child taken by a low life pervert. What is worst of all... the S.O.B. piece of junk that did it will be sitting in jail for years to come, alive and well, while the lie-yers steal the patrons and citizens of the state of Missouri blind. All this scum ball is, is a bucket of gold for every attorney that comes in contact with this rancid man's legal circus that is about to start. Someone tell me, please, why this pervert is still breathing. Is it so he can have his day in court to face his accuser? His accuser is 10 years old with a bullet in her head, wrapped in plastic and stuffed in a plastic storage container in his basement!!!!

So, tell me, please, when will justice be served? When this piece of crap has sat in jail for anywhere from 17 years to whenever, before he stands to answer for what he did, because of lie-yers (I mean lawyers)! The jail should be torn down brick by brick and this slug dragged from his safe little cell and hanged along with any others like him. I've had enough! I said... I've had enough!! There are dozens of perverts sitting in jails all over our country. Why? Because they are a literal treasure chest for lie-yers who would scalp your grandmother for a pocket full of change.

"Oh, yea," it's so he can get a fair trial. Why? Why? You know the Cossacks had a way to deal with scum murdering bag like this "A" of the world camel turd. They would take the murderer and throw him in the grave, alive, then bury the victim's coffin on top of the sack of shiite.... How much more are we, as a people, going to take from these so-called legal beagles? They try to tell us to be civilized, give the man his day in court! I say, he had his day in court when they found that little girl's dead body in his basement! Just three hours or less is all it took to lose one of our children again. Not to mention, he worked at a middle school in the area.

We need to turn our educational system inside out and find others like him and do the absolute right thing. Kill them before they kill another child. Then, take all the child perverts we have in jail and do them all before some bleeding heart judge lets one of them back onto the streets to do it again.

Any lie-ye who takes a pervert's case should get the same. Time to clean house boys and girls! Way past time!

My heart goes out to the family in their time of sorrow. Even

this old Reb cannot keep a dry eye writing this. If you call yourselves Children of God, then prove it. He awaits your answer. No more! No more! Make 'em pay!

Time for this Reb to ride. I need time to recover from the injury to my heart. The Lord be with the family of that small girl!

See you on the bridge!

P.S. Who's girl is next? Remember the pervert down in Texas last year... walked off with a four year old girl and commenced to rape her. Her father caught the sack of crap on top of his

little girl and beat that piece of junk to death. Then some moron lie-ye tried to have him tired for that pervert's death. Needless to say, there was no trial. That lie-ye almost got run out of town on a rail. Well, this is a time when any scum sucking lie-ye who takes on this pervert's defense should be tarred and feathered, then run out of the country, period. Time to send a message to the Bar Association—you work for us!!!

P.S.P.S. As I write, another teacher in Broken Arrow arrested for selling pot to our teens. Need I say more? Enough.

There is a petition now being circulated to introduce a law to have these slugs of society killed and or castrated. Why not? I'll sign!
