## GOVERNMENT ANTAGONIST AND HUGUENOT

Bite-me refuses to go to Ohio to take on his responsibility to the citizens he is sworn to serve. This is a world class disaster that will have long standing consequences. You see, the democraps don't give a shiite about "We the People." We are the prey! Our money, our lives, our children, our property (which he is giving away, millions at a time).

China has old Joe by his fortune. If he gives the Ukraine F-16's, China will cut off the river of money "Ole Joe" and Hunter have been taking to sell out their country!

I'm curious... what is Joe-Joe going to actually do about TikTok?

He is now sitting on the top of the fence, trying to decide which way to jump. I guarantee he will jump for the money and nothing else. Why else does he let the Chinese send the components to make Fentanyl (which is killing Americans all over our country)? They are already waging war on us and good Ole dementia Joe sucks down another dozen gallons of ice cream... paid for out of our pockets, not his. Meanwhile, China equips the Ruskies.

If Congress does anything to stop this treason, I, the Old Reb, will be totally amazed. They spout off that they will get to the bottom of it. When? In fifty five years has that happened and who went to jail? Only the minions went to jail, not the true traitors. That, historically, almost never happens with super rich politicians. I hear no cannons; I see no rockets red glare... yet, Americans are dying and the so-called leadership has deserted their posts!!

Time for this old Reb to ride.

"What a race!"

"Aye, Captain! That was a bloody great surprise! There were more of that Comanche's friends waiting about a half a mile out, who joined up with him, all whooping and howling on their way west."

"The Colby boy was totally surprised. He said he didn't know

what to do except just ride!"

Maybe we can get that Comanche back next year."

"Now you know why they are called lords of the plains, Mr. Harris!"

See you on the bridge!

P.S. Bite-me places the Medal of Honor around the neck of an honored veteran. If only the hands that placed it there were honorable as well. Instead they are the hands of treason.

P.S.P.S. So Mitch "Turtle" McConnell and Chuck Schumeroid

have both come out against release of the January 6th footage that was given to Fox News' Tucker Carlson. McConnell is actually mad because the footage disagrees with statements made by our Attorney General, Merrick Garland.

That means, of course, that Garland LIED. Which means that McConnell and Schumeroid LIED.

Which, of course, means that the entire Congress LIED to us and so did the entire administration and the Capitol Police, who are seen on video leading people around the Capitol when there was a supposed "insurrection."

Clue for the clueless... if Americans had come to Washington D.C. on January 6th with insurrection as their intention, they would have come armed, and they would have taken the Capitol without much of a fight, because Nancy Pelosi turned down additional assistance. Because she LIED.

There are American citizens locked up in a D.C. Gulag with no protection, no rights and no nothing. Because people LIED. They LIED because they wanted to destroy Donald Trump. They've certainly done a good job of brainwashing their democrap followers to hate. Hate is a very powerful emotion that eliminates calm reasoning and critical thinking completely. How convenient.

Either this is going to turn into a fight, or we are going to lose every freedom we have. Buckle up, patriots.
