

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Isn't it interesting... we are finding out that all the so-called learned Senators and Justices who have credentials from all these "Ivy League" universities may not be all that learned as we thought? "A?" I thought maybe it was just my imagination. That is about the stupidity of the people ruling over us in D.C., but know it's obvious these people really are as ignorant as a post-oak in the Osage hills!

Now, we know why the Democraps want to keep our children dumb... so the Democraps won't be found out by their constituents? But, as it is now, their corruption is uncovered and hanging out in the wind like the rest of their treason. Like I said before, it's all smoke and mirrors, money illegally changing hands, behind doors collusion.

You know, I may be smarter than Ginsberg! You are too! But right now, I'll settle for being disgusted! I and most of the rest of us have worked hard in our lives when Nancy and people like her act as Marie Antionette, "Let them eat cake" (rotten, infested bread)!

Who knows? Maybe Nancy will slip in the shower and land on a razor and cut off her own head, "Ah!" Some times fantasy gets the best of me! "A?"

Time for this old Reb to ride.

"Mr. Harris, Rhea is here with a buggy; time to get out of this house and get some fresh air! So, Rhea, what's in the box?"

"Your lunch!" Get in before it's too cold to eat! Put your crutch in the back there and hop in!"

"I see, my angel, you are still carrying that Navy Colt."

"I wouldn't leave home without it, Cap!" I thought we would drive down to the creek; there is a great view from there! Something you're looking for, Cap?"

"Yep! Two Kiowas! It's time to say hello and thanks for a miracle."

"You think they'll show, Cap?"

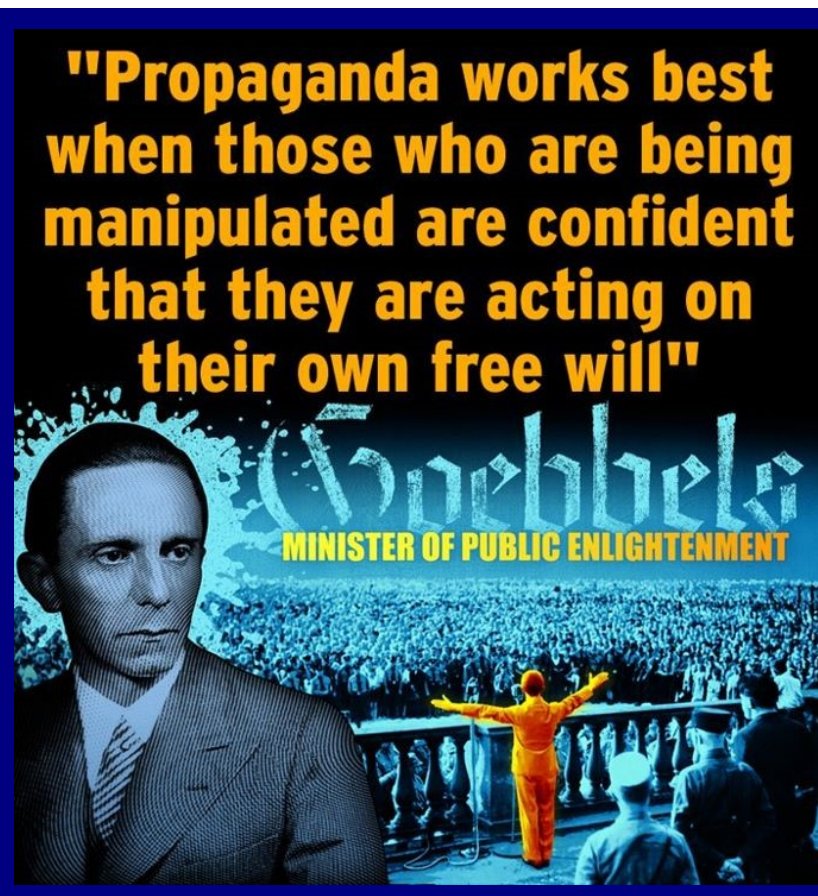

Sooner or later! Maybe sooner than later!"

See you on the bridge!

P.S. The wall isn't necessary? This coming from people with bought and sold degrees! Then, Nancy... you don't need one. Tear down that wall!!

P.S.P.S. Maduro is a socialist, like Schumeroid, and is now engaged in murdering to rule! That, my friend, is exactly how the Democraps will rule if they get power! With the machine gun and an iron fist.

So, never, never give up your guns or rights to a commie or a so-called socialista!!!
