## GOVERNMENT ANTAGONIST AND HUGENOT

What the hay? Who in the hell told Bite-Me-Joe he had the right to run up a million dollar bill in two hotels in France and England? Tell me, someone, where did these con-men get the right to party on our money when “we”—the American people— are going broke.

Ever heard of the “Great Train Robbery?” Well, we are the train and Joe-Bite-Me the robber. Time to get our money back! This man is as big a criminal as Lucky Luciano. You all remember Lucky, don’t you? There’s a reason they called him Lucky! ([http://en.wikipedia.org/wiki/Lucky\\_Luciano](http://en.wikipedia.org/wiki/Lucky_Luciano))

I’ve been trying to think of a word other than outrageous to describe the behavior of these lying sacks of dog —! But, I don’t know if it would do any good. I think, though, we should haul all of these things, these... these... see, I’m so mad I can’t say it!

Let’s see, one million dollars, that’s eight three bedroom, two bath, two car garage on a quarter acre of land houses, for people who really could use a home for their children, who are now out of work and on the streets— because of Joe and Barak! Wouldn’t you agree? Just think that little seven million dollar trip Michelle and Barak took on us during the holidays, or the fifty million dollar trip Michelle took to France, could bail out hundreds of families, if they gave a damn (which they don’t!). Would a President who was truly one of us be concerned enough to use our money on American needs?! Answer—Yes! Let’s compare Bush America down eighty four billion. Four and a half years of Obama and we’re going to hit seventeen trillion—and he is not done.

He asks us to dig deep and give. What the hell? I work my ass off and can barely afford to drive across Tulsa to take care of business! How much deeper should I dig? I can already hear Chinese on the other side of the hole. I have had all I’m going to take; this old Reb will give not another penny to these thieves. I am going to stand my ground. I fight here. I stand here. If necessary, I die here! So, Mr. Obama-pie come and

get me. Let it start with the Reb. As my family and ancestors did before me, so shall I stand the volley. I challenge each and everyone out there to search your conscience. It is time. We have no government, just thieves and racketeers in D.C. Time is at hand to drive them out, try them and jail them... and fix the damage done. If you consider yourself a patriot, then stand too. Our day is here! Do or die trying, there is no no other way.

I want my country, my constitution, my bill of rights, my flag and my money back. Who’s with the Reb? If you think me radical, then what’s more radical than the subversion of our country by a few steal and spend it individuals? What’s more radical than alienating us from our friends and allies in order to turn us over to our enemies? Please, someone tell me, what is more radical than that? To be a patriot is to be a radical in the eyes of the usurper, and a patriot’s job is never done!!!

Time to ride. The old Reb has to requisition more ammo. We’re going to need it! The battle is just getting started at Elkhorn Tavern. George Washington’s grandson is here; I heard this morning— my cousin!

See you on the bridge!

P.S. The Department of Homeland Security is stockpiling ammunition while under Obama’s orders. The Obama administration is hard at work depleting ammunition for the civilian population. Why? They have our money and to complete their hostile takeover of our country, they need to make it impossible for us to defend ourselves. Now, why is this? because they intend to Rule!!! I bow to no man! I am ruled by no king. I am a free man!!!

P.S.P.S. Mr. Obama and his illegal regime made up of thieves like Geithner and traitors like Colin Powell will only give up power after they have destroyed our country and are hanged for it! Are you willing to wait that long?

**Is life so dear or peace so sweet  
as to be purchased at the price of  
chains and slavery?  
Forbid it, Almighty God!  
I know not what course others may  
take, but as for me,  
give me liberty or give me death!"  
-Patrick Henry, 1775**
