

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Was I right, or was I right? Armies moving in the Spring and lie-yers stealing millions while holding a useless trial for Whitey Bolger. I said it, and I said it before Rush!

Putin has done exactly what I said he would. The first twinkling of spring weather and he invades the Ukraine, takes over Crimea and tells Obama-pie to shove it all the way up his basket ball goal! Putin is laughing his ass off at our weak, cowardly, corrupt, so-called leadership in D.C.

If you don't read history, then good luck in your life. If you are a student of history, then it's as clear as the tip of your nose. The strongest always go after the weak. Now, we are at the weakest point we have been in since before WWII. Putin knows Obama is a coward, along with the rest of his cabinet. He knows we are broke and cannot afford a prolonged war. He knows our military is in the worst condition it has ever been in, and it is scattered all around the world. To those of you who are interested, you should read "The Art of War" by Sun Tzu—read chapter two! We, and everyone else with military study this book, because it is as factual in execution as it was when it was written, sometime between 550 and 320 B.C.!

What Putin is doing to Obama-pie is by the book. Sanctions are ridiculous because they will have the effect on Putin as another rib-crunching joke. The Kremlin is one of the happiest places to work! Everyone is laughing their asses off, begging Obama to stop, because their dying of too much laughter, they can't stop! The jokes are killing them!

I hate to tell you this, but you won't see "nukes" flying. If the Ruskies and their once and soon to be allies, the Chi-Coms, decide to do us in, they will be more likely to go try an all-out assault on us world wide, then they will attack us in our own land. They have the money and they have the armies to

do it! Not to mention, the inclination! The only reason they haven't done it yet is because of our allies, the Brits, the Canadians and The Ausies! Why? Because they will be more than glad to keep their chin up and cherrie-o kick the Ruskies butts, and Putin knows that and isn't laughing at them. He and the Chi-coms are afraid of the British. They have no reason to fear Obama-pie.

Ask yourselves—what are the Germans doing, since they border the Ukraine? I'll bet their military is organizing at break neck speed!

Time to ride. We have orders to intercept a shipment of Yankee gold, gathered by Yankee Lie-yers for their usurping master in Washington.

See you on the bridge!

P.S. Hillary Dillary Dock Clinton in north Tulsa at a closed to the public rally. I'm curious! Will she explain why it "doesn't matter" to the north side socialists or do they already know and are willing to sell their souls anyway?

P.S.P.S. About whitey. He was convicted of eleven murders, put in prison for life at 86. let me see—why? Thirty to forty thousand a year for who cares how many years. I say, all you need is a twenty five cent bullet and viola, no more Whitey and the public will save millions. I'll supply the bullet, if they don't have one, or can't find one—at no cost to anyone! I

Is war coming to Europe again?

- Russians have already taken Crimea, where they have an important naval base.
- Turkey and Syria are threatening war
 - Syria is a Russian Ally
 - Turkey is U.S. Ally
- If Turkey and Syria declare war, their allies will be drawn in and all of Europe will be drawn in with them.
