

# The Rebel Speaks

## GOVERNMENT ANTAGONIST AND HUGUENOT

Well, old Uncle Joe goes to Poland and starts kissing children! Whatever happened to six feet, masks and passing covid?! "Oh, yea," I forgot! That only applies to we the "deplorables." With mandates still in place here, we can't walk into a hospital or a basketball game without a mask or proof of the jab... and there he is, the head puppet of the "Hole in the wall gang" kissing kids!

His hypocrisy and his dementia have no boundaries, just like the complete lawlessness of the democrap party as a whole. Would you let "Old Joe" kiss your kid?

Bite-me started all this to cover his and Hunter's arses! Now they are talking indictment of Hunter, which could possibly lead to Old Joe's time card to be canned. The democraps are true cannibals and won't hesitate to eat their own! And so the feast begins... their way to rid themselves of Biden, which was their plan anyway.

So, who do you think is waiting in the wings to be the next usurper? I don't think the Camel will be next illegal president!

Isn't it funny? No matter what, no matter the offense, these people will never see true and real justice!!!!!!

Time for this Reb to ride.

"Cap! The rain soaked the fire, but the river is rising and the

stock we sent across the river is stranded on the other side! It could be days before we can get to them again."

"In the mean time, Mr. Harris, we need to scout the fire area, count our losses!"

"Aye, Cap!"

"It got close, Mrs. Harris! It got really close!"

See you on the bridge!

P.S. Old Joe is talking to the Canadians about ways to get more oil into the states! Anyone ever heard of the EXCEL pipeline? Duh!!!! Thus endeth the lesson!!!

P.S.P.S. The democrap party is being run by a ghost. Biden is most definitely not in control of himself, much less anything else. Kamala "Camel" Harris is a laughing stock who can't be allowed to say anything, because she

constantly makes a fool of herself. This democrap party is going full bore, hard core for complete control and the New World Order, have no doubt. They've been doing it since 1776.

### DEMOCRAT HISTORY

Created the Indian Removal Act of 1830

Supported slavery and started the civil war

Founded the KKK—a militant arm of the party

Held the whip in lynchings

Segregated bathrooms, lunch counters, schools, water fountains, businesses and workplaces

Created Planned Parenthood to cull the black population (called it "The Negro Project")

Set up the Japanese internment camps in World War II

Started ANTIFA and supported Black Lives Matter

Erected Confederate statues to gain voter support, then tore them down to erase history

Openly refuse to protect our borders, in blatant defiance of Article IV, Section 4 of the Constitution

Give "aid and comfort" to illegal aliens (AKA FOREIGN INVADERS), which is defined in Article III, Section 3 of the Constitution as "TREASON"

Democrats were originally the Tories, who wanted to stay under British control and everything they do (as above shows) proves it
