

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

The Mueller papers are out and we are awaiting Trump to close the border. Schumeroid and Nancy P.P. are having massive strokes trying to pass out ore sophapias and spend more taxpayer dollars, wasting more taxpayer time...which, of course, is the only thing Democraps are good for... "the destroyer of worlds!"

My god, Bernie the thief of Bagdad is back, swindling the gullible ty the thousands. This "commie" has never worked an honest day in his life, because he is leach! He has no intention of going all the way, but he will keep the money. Right now he has collected twenty eight million from those fools who are easily fooled all the time!

I mean, don't even mention the fact the Democraps want to do away with the electoral college, so that they, the insane, can rule with a new thousand year Utopian Reich!

How about old Uncle Joe, prestigious liar of the ages! This old con-man is only there for one thing—smoke and mirrors to make you look the other way! I know, let's look at Nancy's tax records that she won't release, "A?" How about Kamila, the term sap sucker comes to mind!

Time for this old Reb to ride!

"Say, Rhea, this chicken is really good."

"I can't really take credit, Cap!"

"What? Why not?"

"I can't cook. Papa cooked it for us. My mother, god rest her soul, tried but I never had the knack for it. I can still shoot a nail into a post and the braids off a misguided Comanche."

"Well, don't worry young lady; when we get married Mr. Harris will still need a job!"

"What?" she asks.

"Look, Rhea, here come our guests!"

"Married, Cap? Can I keep my pistol?"

"You bet! I'll get you a better one, Rhea!"

See you on the bridge!

P.S. Anyone ever take a look into the past six years of Schumeroid's taxes? What about Maxine Waters? When the hell is so-called Reverend White going to pay his back taxes? "A?"

P.S.P.S. Movie stars buy-

ing diplomas for their little chittlens. No wonder there is so much incompetence among the so-called elite. "Elite" and "Stupid" "A?"

How many movie stars does it take to screw in a light bulb?

"Your children's children will live under communism. You Americans are so gullible. No, you won't accept Communism outright; but we'll keep feeding you small doses of Socialism until you will finally wake up and find that you already have Communism. We won't have to fight you; WE'LL SO WEAKEN YOUR ECONOMY, until you fall like overripe fruit into our hands."
~ Nikita Khrushchev, 1959
