

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

"My God," I was right again! Remember, I said, "armies move in the spring?" Well, our Imbecile, Dictator, Usurper, Obama plans to put U.S. troops in the Ukraine. Not to mention, he is paving the way for our enemy, Iran, to get its birthday wish—a nuke... that which they, in their insanity, have threatened to use on us as well as Israel—who Obama plans to completely abandon and throw to the Islamic jackals!! John Boner and the rest have covered down and are letting it happen without even a whimper.

This treasonous saboteur people call a president has and is continuing to sell us out and break every law of the land, doing it... and no one is standing up and saying, "Hell, no!" Great Cesar's Ghost, John "the Woosie Scary", when asked about the situation, says in Arabic, "Allah wills it!" Excuse me, "Allah wills it??" Has the whole administration converted to Islam? Now Barack was born a Muslim in Kenya, or at least by a Kenyan father who was a Muslim. Once in, never out! And, judging by what I see, all the kissing of Arab anal compartments, who wouldn't believe we have been bought and sold to the highest Muslim bidder? I'm not sure, but I feel violated! Don't you? I thought these people worked for us, not for our enemies.

It's almost too late, boys and girls. If we don't walk into Washington, D.C. and grab these scum criminals and end this, we are screwed. Come on, now, this Old Reb can't do it by himself. He needs you, who consider themselves patriots, to step forward once again, stand the volley of tyranny and volley-back-at-'em with the lead of freedom!

Time for the Old Reb to ride. We witnessed a shooting the other day. A so-called bad man shot a young man for his

spurs, it seems... and nothing else. Two days later an older gentleman in a black hat and black long coat rode into town with another younger man! He asked about the boy that was killed and if anyone knows where his killer might be found. I said, "Yes, the corporal and I, here, saw it and the man you are looking for is in the saloon." He walked to his horse and took a shotgun from the saddle boot and went inside, knowing what his son's spurs looked like... it wasn't long! Two

blasts! Then this stout old man dragged the body of his son's killer into the street. He pulled out two colt dragoons from his belt and emptied both into that man's dead carcass! He collected his son's spurs and his son's body and they disappeared into the distance.

Welcome to the west, young man.

See you on the bridge!

P.S. Hillary Dillary Dock ran up he clock, crowed and announced her run to the White House. My God, hasn't this woman had enough of American blood? Vince Foster, Waco, illegal bombings in Bosnia, the

murders of our people in Benghazi! I mean, look at her... if you don't see an evil ghou, well, you're just deaf, dumb and blind. I guess, why not go from worse to magnificent folly of all time. Didn't say "bad" - we went through that a long time ago. Blood thirsty, greedy, avaristic and foul of smell. I can see it now, "Off with their heads." Why? "Because I don't have my other fifty million!" Don't forget, she is another "Lieber." Enough. Aren't you ashamed yet of your so-called leaders? Are you not ashamed you put them there?

P.S.P.S. Is there a candy-date who isn't a "Lieber" out there? Time for a change in elected venue. Let's put a non-Lieber in office so we can fix it!! How is that for an idea?

On the weekend of March 28-29, 2015 U.S. Secretary of State John Kerry spoke with al-Monitor (who focuses on Middle East events and news) reporter Laura Rozen. When asked if a nuclear deal with Iran is possible, Kerry replied, "Inshallah" English translation: "Allah willing," or "If Allah wills it."
