

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Old Joe and the Easter Bunny! Need I say more? Maybe old 79 year old dementia Joe needs the holy grenade! You know, the one from Monte Python. "When you pull the pin on the holy grenade, then you must count to the number three. The number three... not two, not four, not five, but three. Then the holy grenade in ones hand must be hurled on the reaching of the number three!"

But then, again, maybe he will chase the bunny and fall down a hole and meet the Red Queen and "off with his head!" I wonder. Did "ole Joe" push an egg with his nose across the White House lawn? I wonder if "ole Joe" got himself a pooka? You know, a large talking rabbit that hangs out with "ole Joe" everywhere he goes, although he is the only one who can see the rabbit.

The problem is that we all saw one. I bet that bunny was carrying a gun. Joe is not allowed to get to extended conversations. His pooka is afraid "ole Joe" will just start babbling and his total incompetence becomes most apparent!

One pill makes him tall, another makes him small, and the one his mother gave him didn't do anything at all! Remember what the dormouse said, "Feed your head! Feed your head!!"

Time for this old Reb to ride.

"These two boys found him while they were out looking for strays, Captain! This is Charlie sikes and Joe Martin."

"So, boys, what did you find?"

"When we turned the body over to see who it was, we noticed he had been shot in the chest, Captain! The fire went right over him! Charlie found a couple of 41 rim-fire cartridges next too some rocks on that rise, just about a hundred yards to the north."

"Here comes Big Bob and Mr. Colby with an extra horse. It's probably the Ranger's horse."

"Hey, Cap!"

"Where did you find the horse, Bob?"

"Found him about a half mile west, Cap! The Corporal and Mr. Harris have gone to fetch some of his fellow Rangers!"

"That's good, Cap!" I don't feel sorry for whoever shot him! Those Rangers will probably shoot him dead, dead, dead!"

See you on the bridge!

P.S. Twenty six states have formed a coalition and are preparing to go over the regime's heads and stop the border invasions!

We have no idea who or how many have crossed our borders, where they are or even who they are. If any of our enemies want to cross, they can do so with impunity.... And I would suggest that they are already here.

POOKA OR SECURITY BUNNY?

Little Girlie-man Bynum says "the average Tulsan is perfectly safe!" He obviously doesn't live in east, west or north Tulsa. Not to mention he is a rich LaFortune and another woosie, lying lawyer. Everything he does is socialist. After all, he is mayor, but has no power. All the power is in the hands of Karen Carlson and the rest of the socialist town council!! These people tore

down your monuments and made new ones exalting communists and atheists!! Need this old Reb say more?

P.S.P.S. Gangs run rampant in Tulsa and have complete control of 61st and Peoria, aka, "the OK Corral" and constant gang issues around 21st and Garnett, not to mention west and north Tulsa. What's Bynum's answer? Fight crime? Increase police presence? Build stronger neighborhood watch groups? No, it's to put a zillion cameras in the area, so police can sit and watch cameras. And what will the result be? The crime will move somewhere else, just like it did last time they went after crime at 61st and Peoria many years ago. THAT is why the gangs are in east Tulsa now. And when the gangs went east all those years ago, Tulsa did nothing. Bynum wants a Tulsa where you can't move one block without being on one of their cameras... a big brother system of complete autocratic control all over Tulsa. He has clearly chosen the new world order of big brother. Time for Americans to stand up and say NO to big brother governmental control.
