

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

I think that it's time for the GOP and Ted Cruz to sit down and shut up... and get out of the way! As well should Mitt Romney, what a loser! "A?" Let Trump run with it, so he can put the Trump Thump on Hillary-Dillary-Doc. Like I said before, Bernie hasn't a snowball's chance in hell of winning... it's already bought and paid for on the Democrap side. Bernie, too, needs to just disappear and let's get to the slaughter!

After all, Hillary's show is nothing short of a farcical repeat of the same old Democrap! We need Trump to beat the Democrap out of Hillary and win, then put her and her entire entourage in jail. They are so guilty of breaking every law they can, as usual, to win political campaigns for so long, it's not funny anymore! Their historic corruption knows no boundaries. While we, as the population, get screwed and screwed.

I'm inclined to support Trump because it's the right thing to do. He will stand up to our enemies and stop the sabotage of Obama-pie. We don't need a murderess and a thief in our highest office. We might as well elect Whitie Bulger.

You know my opinion of Cruz... the same-ole-crap-Republican. He's got nothing to offer that he would-

n't back down from when confronted with pressure from the other corrupt scamps still in Congress. The idiot heading the GOP, Reince Priebus, should try using an authentic American hari-kari rope and hang himself. This guy is just as corrupt as the politicians he aids and abets. Let's give this idiot a message... "Give it up and give the nomination over to Trump."

Let us never forget that government is ourselves and *not* an alien power over us. The ultimate rulers are not a President and Senators and Congressman and government officials... but *the voters of this country.*

Let Freedom Ring!

Time for this Old Reb to ride. The corporal and I, along with a couple of our crew, have decided to pool our money and head to Texas to try ranching.

Stringing telegraph wire across the American prairie has become a little to exciting. We thought we would try a more peaceful life.

Got a hell of a limp there in Dodge!!

See you on the bridge!

P.S. You haven't heard from the Old Reb, because it's turkey season. Re-

member, if you don't hear from me, It's hunting season or the wife is home!

P.S.P.S. Speaking of turkeys, I was sitting under this tree the other day, thinking, "wouldn't it be nice if either Bernie or Hillary would hear the call and come running up to my decoy!! Gobble! Gobble! Gobble!
