

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Long past time for a Continental Convention to rebuild our government... which has usurped the power of the American people and gone totally rogue!

How can you have confidence in what could care less about the citizens of this country and, instead, allows invasion to occur with preference to the invaders! I've had enough of communist judges and their offenses to our justice system. The attack us and set illegals free to commit murder and mayhem at will. That makes these liberal judges accomplices! They are as guilty as the invaders they are willingly helping and encouraging.... By what they allow.

These twits protesting at college campuses across the nation, in favor of Hamas, have absolutely no idea why they are protesting. While there are students involved, most are actually reported not to be actual students, but paid protesters masquerading and creating chaos. I wonder why? Especially when Islam wants us all dead! Now they are here, having crossed our borders at will.

Our government, under Joe Bite-me, fiddles while the Constitution burns. Where are the Christian soldiers so often preached about? Time for them to awaken! The sleepers must awaken! And soon!

Remember, Christ was a Jew and his disciples started the first of the early churches. Time to stand against Islam and all its allies. Time to rid ourselves of our incompetent and corrupt government and start all over!

Time for this old Reb to ride!

"Charlie Holly is back, Captain!"

"Where is Jimmy, Charlie?"

"He stayed behind to hang out with a girl from the Double S."

"Well, Mr. Harris, Spring is definitely here!"

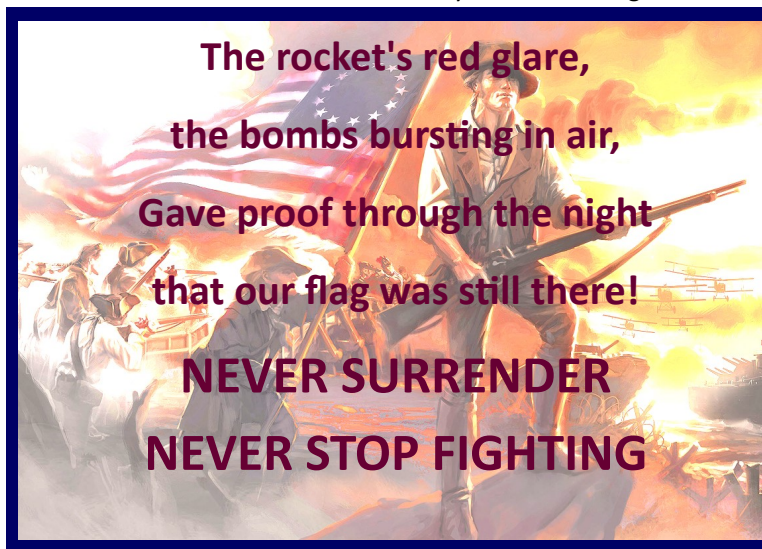

"Aye, Captain! Mr. Holly is getting his shop set up."

"He'll have plenty of customers!"

"Aye, Captain! We will probably see more of the local indigenous population!"

"You're right, Mr. Harris! Tis the season!"

See you on the bridge!

P.S. This old Reb is all for "tar and feathering" these commie judges, attorneys general, politicians, and the like and running them all out of town "on a rail."

I think they should start with the judges presiding over Trump's travesty trials. Maybe if we scared those democmmies some will run, "A?" Nothing they haven't done to everyone who opposes their usurpation of the Constitution and Bill of Rights.

And don't forget to nail the corrupt lobbyists. They also need to go, along with the liberal media. Haven't you had enough of the lying propaganda?

P.S.P.S. At this point everyone in Congress, Republican and democrap, are either blackmailed, bought off, or owned by our enemies (both foreign and domestic). They all answer to someone other than We the People. It is time to take a stand as real Americans against the usurpers. Stand now or surrender to our enemies. This old Reb will never stop fighting!

Buckle up, patriots, because a fight is coming.
