## GOVERNMENT ANTAGONIST AND HUGUENOT

All this crap about reviewing the Mueller report and wasting the time of the American people, putting the cost of this back on us, is total lunacy! No one but Democrap would put themselves above those who elected them. All this Democrap with Joe Bite-me and Old I'm-a-commie Bernie is all smoke and mirrors, as I have said before. Joe and Bernie are only doing this for the donations and when they drop out, they are rich because they don't have to give it back! What a scam! "A?"

I wonder... who will be the real Democrap contender to challenge Trump in the 2020 election? And let's not forget "Pocahontas" has thrown her fake war bonnet into the Democrap pot.

They should cook that pot and serve it to their supporters. I mean, their people will eat anything and believe anything. Just tell them it's mutton and they'll be fine with it... maybe with a side of "New York fetus." "A?"

What else will the masses eat when Nancy PP and Bovine Methane Queen does away with beef?! Remember the old lady comes to the drive in window; they give her a tiny, almost non-existent burger and she says, "where's the beef?"

Time to ride, for this old Reb.

"Rhea, if you would please cover your pistol, we don't want to upset our new friend, Tall Elk! My friend, it is good to see you and your son, Spotted Bear. I owe you my life."

He said, "You gave me my son's life, we are now equals."

"It's good to find out he speaks English, because the Bar T Vaquero is a little late... Rhea!"

"Yea, Cap, we're sort of hanging out in the wind here. Tall Elk, you and your son are welcome in my house forever. If you are in need, call on me and I will, if I am able, come."

Tall Elk says, "There is a Comanche brave that has been laughed at too much... he thinks he might come looking for his braids!"

Rhea told Tall Elk that she welcomed the opportunity to show him her hospitality!

See you on the bridge!

P.S. All this Democrap holding Barr in contempt of Congress is, as I said, Democrap. Not only does

he not have to show up, but he has the power to start investigation into just exactly what the traitors have been up to! In another day in time, Schumeroid and Nancy PP and their buddies, the Clintons, would all have been drawn and quartered. "Ah, where did the old days go?"

P.S.P.S. Personally speaking, we need to do to Tehran what we did to Bagdad! Take their murderous clerics and hang each and ever one of them. They deserve the fates of all inquisitors—hell!
