

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, we have a whole new venue of candy-dates stepping into the batter's box. Joe Bite-Me, John "Can-I-get-any-duller" Kerry and "Who-can-I-destroy-or-leave-for-dead" Hillary Dillary Dock on the Democrap addendum! Then we have Mike "Huckleberry" Huckabee, Bobby "Follow-me" Jindal, Ron Paul, Scott Wilson from Wisconsin (cheese country) and a brain surgeon—now God knows we could one in D.C. since they have all lost their minds. Mitt Romney is at it again... more of the same of shiite!

So, we are going to have to sit back and watch another Presidential race debacle. A play of fools with a fools parade! I just don't see the one that would step forward and say, "Follow me, boys, we're going into the storm. Follow me!"

Where is that person? Certainly, not the Baltimore Mayor! It's getting harder every day to hold the line against this outlaw dictatorship. They coddle our enemies and cow down to the gangsters, "the Bloods and Crips," while ignoring the rights of it's Constitutionally lawful citizens. You know, Obama has said he is not leaving Washington, D.C. He plans to stay so he can oversee the completion of his agenda. Doesn't that sound like a dictator to you? Hillary wants to be Empress at the very least!

All this makes the Old Reb feel like a pilot with his engine on fire, struggling to stay in flight while the enemy pumps more lead into the plane's fuselage, not being able to get the canopy open and forced to ride it all the way down! I can tell you if anyone knows that feeling, it was my father-in-law. He flew an F-80 jet in Korea and I'm sure, while flying ground support, many a round bounced off his plane! Imagine, hot down on

the deck, finger on the trigger, time after time. But he did it for the right reasons... And that is why we must stand up and say, "Hell, no! We are not going to take it any more! For our country! For our survival! For our Freedom!!!"

Time for the Reb to ride. We have been running the telegraph to a bunch of these little towns in Kansas. I hear they're bringing a railroad through and we are to follow it, as a partnership has been agreed to between companies... so, I guess we'll get

our chance to see the plains Indians up close!

See you on the bridge!

P.S. I salute the officer in Texas who shot those two camel wads to death. Do it some more! We, the people, need to know exactly what is going on in these so-called holy places called Mosques. What the hell are these Imams telling the young and impressionable under their wing, as it were? Problem is, our Muslim dictator is using all of this to take complete control, so he does nothing... doesn't care. Therefore, we must... we must seek them out in our own country and get rid of them. Do we not trap rats? Or have we become the Eloy? Food for the Morlocks?

Now more than ever before, the people are responsible for the character of their Congress. If that body be ignorant, reckless and corrupt, it is because the people tolerate ignorance, recklessness and corruption. If it be intelligent, brave and pure, it is because the people demand these high qualities to represent them in the national legislature. If the next centennial does not find us a great nation, it will be because those who represent the enterprise, the culture, and the morality of the nation do not aid in controlling the political forces.

James Garfield ~ 20th U.S. President

The battle, Sir, is not to the strong alone; it is to the vigilant, the active, the brave. Besides, Sir, we have no election. If we were base enough to desire it, it is now too late to retire from the contest. There is no retreat but in submission and slavery! Our chains are forged! Their clanking may be heard on the plains of Boston! The war is inevitable; and let it come! I repeat, Sir, let it come!

Patrick Henry ~ American Colonial Revolutionary

P.S.P.S. Ever have an issue involving Civil Law? *You* can't enforce your civil law rights or get protection against those who break civil law... without hiring an attorney! Case in point? The President of the United States, who violates Constitutional law with impunity with no reprisal. Why? Because it takes an attorney to get anything done—A member of the almighty Bar Association must prosecute its own. When does that ever happen? Signed, Mrs. Reb.
