

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Title 42 is “kaput” and the surge has begun, even though D.C. says, “it’s closed... do not be alarmed, everything is under control! Absolutely nothing can go wrong... go wrong... go wrong!!” And, by the way, the shooter in Texas at the mall was not a “white supremacist;” he was MS-13!

They are here, and more and more are coming every day and good “Ole Uncle Joe” isn’t even going to lift a finger to stop it. After all, he is busy dodging justice. Well, of course, our so-called republican congress, as usual, screams, “We have the evidence! We have the evidence!” but, have been just as usual since the Clintons and Obamas. Nothing. I mean nothing will happen. It’s all just cowards posturing at each other, but no punch is ever thrown, while they all stand back and claim, “you saw me, I stood my ground,” as the other fellow is doing the same.

The definition of all this is, in fact, B.S.! Did I just sneeze? B.S.! B.S.! Please, someone stop me. Our representatives and senators and our so-called executive branch have already been derelict in their duties. They have all violated their oaths to the American people and the Constitution, without exception.

Show me one who is ready to pick up arms and join in reclaiming our sovereignty Show me one! “Oh, yea!” Where did our sovereignty go? Anyone know? Crikey, mate, we don’t have to worry about the rocket’s red glare, just worry about sending your family to the mall!!

All this old Reb has to say now to you is... INVASION!!! Arm yourselves!!!!

Time for this old Reb to ride.

“Captain!”

“Yes, boy?”

“I want a gun and I want to go with you to catch these monsters

who killed my father!”

“I am going to leave you with my wife, Rhea! We have a lot to do. In the mean time, she is going to show you how to shoot.”

“Your wife, Captain?”

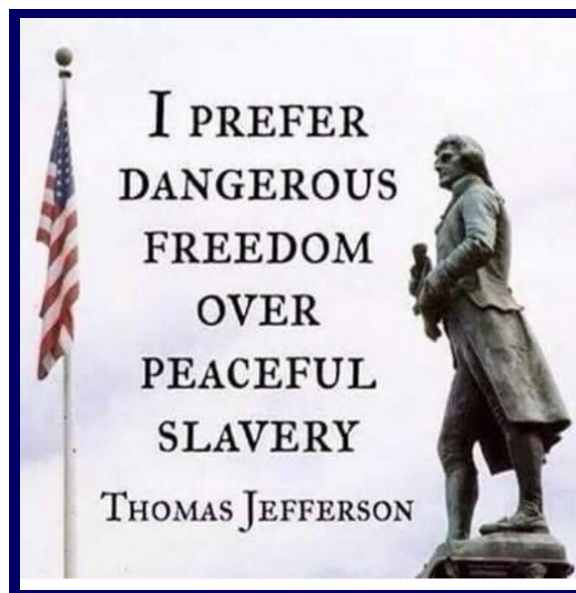

“Yes, my wife! She can drive a nail into a post at thirty feet with a

handgun. Who better to show you how, boy! We’ll be back to get you. We don’t want you to miss out. Big Bob will teach you how to use that old buffalo gun!”

See you on the bridge!

P.S. You know how this old Reb feels? Well, I’ll tell you. Years ago I saw a movie and the star was portraying a blind man. His buddy had him driving the car, while calling out which way to turn!

Think about that. Why? Because that is our government!! The foolish and arrogant playing “Russian roulette” with our lives!!! On purpose!!!

P.S.P.S. The long awaited Durham report came out. The fraud is real and the entire “Russia, Russia, Russia” campaign against Trump was all a bold faced lie. All of it. This report proves that the FBI, the DOJ, the FISA judges, Clinton, Obama, Comey, McCabe, Strzok, Page, Wray, Rosenstein, Steele, Elias and more are all guilty of being traitors. No doubt about it.

What’s Lindsey Graham’s response? “I’m hoping that somebody at the FBI will call up the people involved and say... I’m sorry that happened.” Oh, my god! Do we see our Congress jumping in the fray for justice? NO. They go on their committees, hold hearings and do nothing else but talk. At this point, talk is a waste of time and proves, without a doubt, that all of Congress has violated their oath to uphold the Constitution. They should all be summarily kicked out and prevented from ever holding public office again, if not sent to Gitmo. Buckle up, patriots.
