

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, I'm back! Retirement sucked! Besides, the "Hole in the Wall Gang" headed by Bite-me and his camel are already flying our country into the ground nose first, at full speed!

At the same time, little girlie-man G.T. (Tulsa mayor) is showing his true socialist nature even though he ran on a conservative Republican platform. During his playtime here, he and socialista Karen Keith have been busy destroying our old monuments and painting the portraits of Communists and Atheists on buildings in downtown Tulsa.

Who are they, you ask? I'll help you out! Bob Dylan, a professed Communist. Woody Guthrie, also a professed Communist... what do you think "This Land is Our Land" is about? Leon Russell, an Atheist. Then, of course, there is Che Guavara, Communist! Not to mention inviting armed Marxist Muslim Black Panthers from Texas.

Black Panthers get their marching orders from the likes of "Kill-whites Reverend" White and Lewis Farrakhan. I don't mind if they come to the centennial in the Greenwood district. But let them leave their weapons in Texas. Will Governor Stitt enforce the new law (HB 1674) prohibiting groups like these from crossing borders with weapons, intent on riotousness? Let them practice their 2nd amendment rights in their own state! This organization has intimidated voters, burned and

looted during riots that they, themselves, have started... all the way across this country. They murdered Malcom X to shut him up, to keep him from telling the truth about what they were really up to!

I was around in this world when they were conceived. They are a true domestic terrorist organization. Just as bad as the

KKK! Their symbol of black power is painted on the side of another building in downtown Tulsa! You know, the "black fist of power!"

To all you millennials, how dumb will you permit yourselves to be? How brain washed will you allow yourselves to be? Eyes wide shut, "A?"

Time for this Reb to ride! The ranch is well and new additions on the way!

See you on the bridge!

P.S. I've been told that because I am white, that makes me inherently racist! All I want to know is, who is the Commie bigot that came up with that one? By the way, I'm not rich and don't take a dime

for what I write! I do it for nothing but my country!!!

P.S.P.S. May 29th—31st, we shall see what we shall see! We need a new Tulsa mayor and city council. To many socialistas!!! Deborah Gist has just about run the Tulsa school system into the abyss of super ignorance! What do baffled mean? What do incompetence mean?

The real question is... WHO IS CONTROLLING THE STRINGS?
