

# The Rebel Speaks

## GOVERNMENT ANTAGONIST AND HUGUENOT

Glory halleluia!! The GOP is finally giving in. In the face of overwhelming support for Trump, they are saying uncle! "B.S." - that is Bernie Sanders—is calling for a recount, which wouldnt matter anyway, because... like this old Reb said, satan’s concubine has already bought and paid for the delegates.

Kind of curious if Hillary, when in the process of losing, suddenly disappears along with Willie-Billie and all the funds of the treasonous foundation?

We need to press even harder towards the election, we must win, for our lives as we know them now will change permanently for the worse. They, Hillary, Obama and their minions must be put down and dealt with for their crimes against the Constitution and out people.

Time to take our country back from the devils league. Opportunity is slam dunking down the GOP door! Let the flood in so we can drown the Democrap hopes and desires to rule our country! Just remember, if we get Hillary, we also get Billary!!!

More of the worst of the worst. Scandals, murders, usurpation, graft, collusion, etcetera... because that is what they are! The worst of the worst.

If you want to know what it would be like to be ruled by Al

Capone, elect Hillary!

If you want your country back, elect Trump! If you are an idiot, then write yourself in!

Question: If Hillary gets elected, do you think they will turn the east wing of the White House into a rich politi-

cian’s bordello and fill it with little girls named Monica?

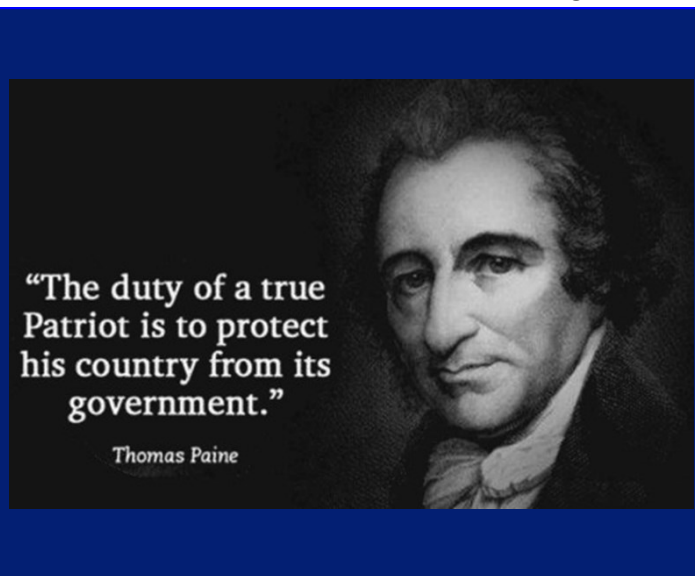

Time for this Reb to ride. Riding into Fort Worth, a gentleman was leaving town with the help of a few citizens. He was tarred and feathered and riding a rail. An art, I’m sure, will be lost to future generations. He turned out to be a con-man selling land he supposedly owned on the Texas pam-

pas! I’m sorry the people that own that part of Texas wear feathers!

See you on the bridge!

P.S. Another attack by the Obama-pie administration on the Battle Flag and our ancestors. The Veterans Affairs administration is banning the Battle Flag from our national cemeteries. I say, put them up whenever you damn well please, and Obama can shove it up his arse!!!

P.S.P.S. Billie-Willie is campaigning for Hillary. Let me see... a lying, murdering rapist-pedophile wanting you to elect his wife, a lying, back-stabbing murderess! Need I
