

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

A judge in Texas says Obama and his illegal entourage are breaking the law. So, Obama says, "Screw you." Then they go to another judge and that judge says, "Yes, you are criminals." And upholds the Texas judge's ruling as correct.

All this Reb has to say to that is, "Obama-Pie, the eyes of Texas are upon you! How do you like their gaze?" I don't know about you guys out there, but that is all we need to go and get 'em. After all, like all criminals, they simply say, "Well, that's not the way we see it! So, hands up and empty your pockets out, or we'll shoot!" They have crossed completely to the outlaw side. All I want to know is, when are we going to form a posse and go and get them? Judge Scalia says this is not the time to hold a Continental Congress, fearing that we could end up with something worse. You mean, Hillary? What could be worse than having an irresponsible traitor and murderer in the office of our most honored place?

Today I heard Herman Cain quote Lincoln on truth. Excuse me, Herman, weren't you born in the south? Lincoln broke every Constitutional law ever written when he invaded a sovereign nation (Confederate States of America) and destroyed it! Well, I know why... like all blacks, they believed him to be their savior. In reality, his rich Yankee supporters did not let their slaves go until after the last shot was fired. He, too, like Obama, only had the Northern rich man's interests at heart, because they kept him in office with their money.

They destroyed the competition (the South) because they were successful.

It had absolutely nothing to do with slavery. By the way, has anyone out there seen a slave in the is country in a hundred and fifty years? I have! Al Sharpton, Reverend White, Jesse Jackson... all slaves to the Democrap party and the rich whites who run it! The leadership of the Democraps say jump, they never ask how high! Because a slave never talks back to his master!

Time for the Reb to ride. We headed out across the Kansas plains. Actually saw Indian sign. The crew has armed themselves and are keeping a wary eye! Hoping we see no more. Most of us have had enough killing in the war!

See you on the bridge!

P.S. My wife gave my card to Markwayne Mullin the other day, so, Markwayne, if you read this, take it to heart! We are not going to wait much longer. Do the hard thing and say it! Obama, Saboteur, Outlaw, Usurper.

Death to traitors and Islam! Are you weak and not one of us? Enough talk!! Time for action. We can't wait for the total collapse of the Republican party, or Hillary to get her birthday wish. They are arming our enemies *and* collaborating with our enemies! If you are looking for

domestic enemies, you don't have to look any further than the White House and the Democrap party!!

P.S.P.S. To the Democrap who is picking up the Reb's stack of fliers, trying to keep others from reading the truth. You can't shut me up. The revolution is spreading like a prairie fire you can't stop... only run from. In the words of the fictitious Borg, "Resistance is futile!!! We rebels shall overcome!!!!

I want my country back!!!!

AMERICAN PRESIDENTS IN UNIFORM

Presidents in their uniforms. Need I say more?

Who would you follow into battle?
