

# The Rebel Speaks

## GOVERNMENT ANTAGONIST AND HUGUENOT

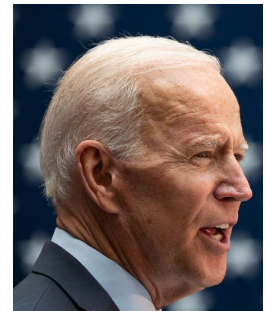

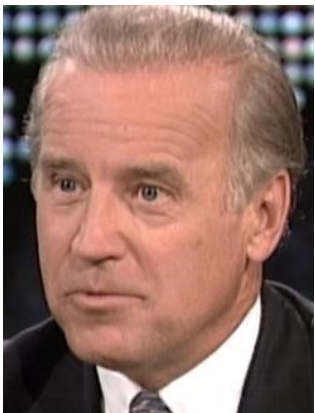

This is Joe Biden younger and older

**Where is the real Joe Biden?**

This guy has very different ears, a chin cleft, and thinner hair. He is not Joe Biden

This guy has no chin cleft, but the wrong ears. So, we know that he is not Joe Biden, either.

Now, this might be Joe Biden... but the Reb is very dubious now (with good cause).

How many Joe Bidens are there? Is the real Joe Biden even alive anymore? Who is really running this administration? How many in Washington, D.C. know what's really going on? Are you mad YET?!

<http://rebelspeaks.weebly.com> - The Reb is mad!! Are you mad yet?

*"The Rebel Speaks" opinion letter's purpose is to share thought provoking viewpoints and inspire discussion and debate about today's political issues... and make you mad!*
