## GOVERNMENT ANTAGONIST AND HUGUENOT

Here we go again; another moron and here come the democrap gun law pushers! They are “rushing” through legislation that is, once again, meaningless and aimed directly at lawful citizen ownership of firearms, according to the Second Amendment!

You can’t stop criminals from access of what they want. Don’t believe me? Look at Joe Bite-me; he is a criminal in control of more weapons of death than anyone in the world! What about the Clintons? They mass murdered ninety five American men women and children in Waco—and no one rushed to pass legislation to prevent mass murder committed by usurping officials!

Nancy PP and Schumeroid are sprinting as fast as they can to rob “we the people” of the last of our rights as free Americans!

One of the biggest problems is the Bar Association. They refuse to execute murders in a timely fashion. Instead, they hold meaningless monkey trials just to fill their pockets, and it isn’t for justice! The appeals for David Ware have already started! Welcome to the next fifteen years of taking care of this murderer at our expense!

Justice is justice. A scam is a scam. Usurpation is still usurpation and Alec Baldwin is still a killer! Do you suppose Nancy will take Alec’s gun away? How much of our freedom will the Turtle McConnell give up while playing the game? The democraps are about to commit maximum treason!

All this old Reb has to say is they can’t have our guns!!m Do not give up your guns!!

Time for this old Reb to ride.

“I hear gunfire coming from the ranch, Captain!”

“We must hurry, Mr. Harris! I see smoke in the distance!”

“Aye, Captain!”

“We’ll go in from the north, Mr. Harris! Little Bob and Big Bob go in from the east with the other boys! We’ll meet in the middle! Hit ‘em hard, boys! Hit ‘em hard!”

See you on the bridge!

P.S. Schumeroid jumping up and down, yelling “We’re going to win! We’re going to win!”

Last time I saw anyone do that was when Khrushchev was pounding his shoe on the pulpit yelling, “Russian boots will walk on American heads!”

So, does Schumeroid plan to walk on American heads?

P.S.P.S. Schumeroid strikes at the law again. This time it’s threatening the lives of Supreme Court justices and their families and homes. A leak from the Supreme Court

resulted in the release of a projected Supreme Court decision taking down Roe v. Wade.

Schumeroid issued a direct threat. “I want to tell you Gorsuch; I want to tell you, Kavanaugh: you have released the whirlwind, and you will pay the price. You won’t know what hit you if you go forward with these awful decisions.”

Of course, the fact that such a thing is against the law is irrelevant, as usual, for democraps. It is, in fact, against the law to even picket or parade in or near any building or residence of said judges, much less threaten to murder them and their families. But democraps don’t follow the law.

And while we’re at it... said law is, of course, not being enforced by this administration, who also ignores the Constitution and has usurped our country against the will of the American voter.

The entire democrap party should be in jail.
