## GOVERNMENT ANTAGONIST AND HUGUENOT

Florida gay club is hit by Islam! 49 gays kaput! One Muslim kaput! And the survivors will vote for the party of the very man that made it possible... "Obama!"

He brought thousands of these Sharia spouting machinegun toting gay haters here and let them loose. My! My! My! Lions, tigers and bears, "Oh, my!"

Just think... if the Democrap leadership were to invoke Sharia law on the public, there won't be a gay or whatever, prostitute, etc... it doesn't matter. They will all be hunted down and killed, either by stoning or beheading or just shot on site. But these zealots of so-called gay rights are so dumb they will still vote for the very people who are shooting them in the back, using them as a stepping stone to power and nothing else.

Remember when that twerp from Iran spoke at a university in the U.S.? When someone asked him about gays in Iran, he replied, "there are no gays in Iran." Then proceeded to ask if the students knew any, and where to find them, so they could be killed!

You see, there is no such thing in the Arab world as freedom is here. There is only submission and death and slavery. For gays, only death. So, to the gay community I say, "go ahead and vote Democrap and you will find out exactly what Sharia means for you. Because, to a Muslim you

are just the walking dead! They won't ask you to convert before they kill you... they just want you all dead, dead, dead!

Have to say this because of what the old Reb rights about Isalm... they want me dead, too! That is why this Old Reb

carries a gun. I will NOT be a victim of any wacko any time or place—Muslim or otherwise.

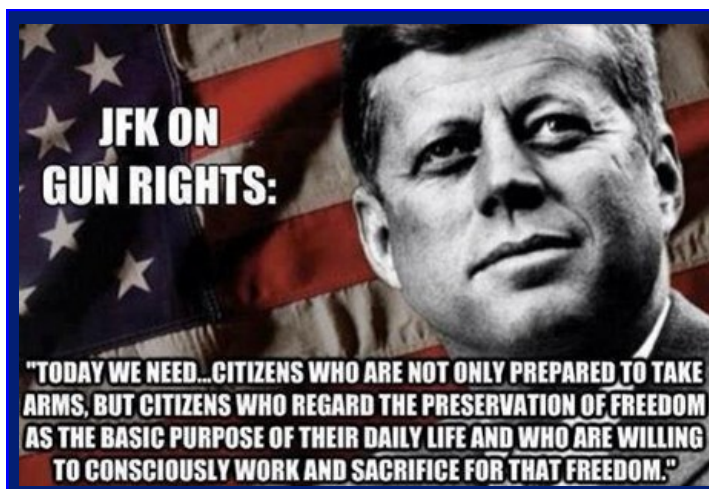

Time for this old Reb to ride. We found an abandoned ranch outside Fort Worth and have bought it. We are now engaged in a new enterprise! Cattle! The corporal said he didn't know much about cows. But once

had a milk cow step on his foot. Yippee-i-yo-ki-ay!

See you on the bridge!

P.S. Again, the FBI know this fellow who did the shooting and could have stopped it before it happened. But, again, they did nothing, so 49 dead and nearly that number wounded. So, what good is the FBI unless they are praying on their own people?

P.S.P.S. This old Reb has known quite a few gays in my life. Worked with them, eaten with them, played music on the band circuit with them. Never had a problem with one. All I have to say is, when I the Reb stand before the Almighty, I only have to account for myself! What do you have on your account?
