

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

I can understand wanting our private home again. But, what I can't understand is the setting free of five of the most dangerous terrorists in the world, who have more reason than ever to kill us and become martyrs so the Ayatollahs can say, "See, we told you the U.S. A. is weak, and the more we pound away, the weaker they get!" It's called a "war of attrition." Not to mention the mass release of illegals back into our society, to cause mass chaos, robbing, killing, raping... in other words, right back to doing exactly what they were doing when they were detained in the first damn place, thanks to our "Der Führer" Obama and his "Führeress," Frau Michelle.

And now the best is not least, but last on top of it all, our Imperial Majesty shoots us in the back again by coddling a coward for which my son's fellow soldiers died—patting him on the back, "you poor little boy-man! Here's your medal screw the real heroes of our country." Treason! Treason! Treason! Cowardice in the face of the enemy! The turning over of our worst enemies to freedom, to kill more of America's children—and this is our Chief and Commander? Treason! Treason! Traitors abound within the Democrat Party, ready to sell us to the highest bidder! Harry Reid has been paid by the Chinese to guarantee their drilling of our oil in Nevada and Arizona. That's why the attack on an American rancher in Nevada. We've been

bought and sold out by Barak "Hussein" Obama because he's just doing what the money is telling him to do. I say, let's go and get 'em! Hang 'em high! After all, we no longer have a

legal government. If the so-called lying, stealing, usurping President doesn't have to abide by our laws, then neither do I!

One law for us, none for them, sounds like Empirical rule, doesn't it? That's because it is!! As for our little coward deserter, it's his turn against the wall, what do you think?

Time for the Reb to ride. Caught two deserters this morning, they are now doing the dance of death in a tree on the road, as examples to the rest! Death to traitors!

See you on the bridge!

P.S. Are we going to pay for a sex change for this little coward, too?

P.S.P.S. The dweebs in Las Vegas were not "revolutionaries." They're just a couple of misguided morons who never had an inkling of what a revolution is all about. Killing cops is not revolt, it's just murder! Revolutions change nations and their governments, not add to the lawlessness of brainless imbeciles like this pair. Besides, like most jerks

like them, they have no idea what N.A.Z.I means. It's the German abbreviation for Nationalist Socialist German Worker's Party! In other words, Socialist Democrats!!!!

"Two of the safest cities in America are on the border with Mexico. Of course, the reason is... we've proved that Communism works. If you give everybody a good government job, there is no crime." May 21, 2014

**~ U.S. Congressional Representative Joe Garcia
(Democrat, Florida).**

"Your children's children will live under Communism. You Americans are so gullible. No, you won't accept Communism outright: but we'll keep feeding you small doses of Socialism until you finally wake up and find that you have Communism. We won't have to fight you; we'll so weaken your economy, until you fall like over-ripe fruit into our hands."

~ Nikita Khrushchev, First Secretary of the Communist Party of the Soviet Union. Announced vehemently to the entire world, at the United Nations in New York...
