

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Red flagging! Isn't that pointing fingers at anyone you have a beef with? Then the usurped government ruins your life! As if they aren't already doing that. Inflation is climbing the ladder at an obnoxious rate, never before seen since the Great Depression. Goods and services are slowing down and prices riding a rocket called the democrap plan to re-align America in their image. That image, then, is as rich aristocrats and "we the people" as their servants and slaves... being preyed upon by every rotten element they have set loose in this country!

No border enforcement, so we have cartels (slavery and drugs) everywhere. More drugs, drug deaths and gang killings than ever before.

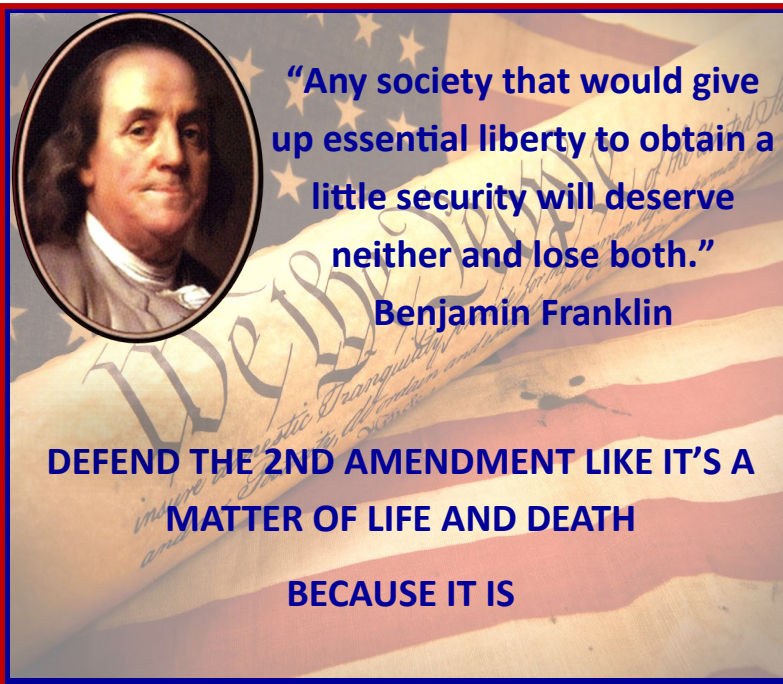

Remember little girlie-man G.T. Bynum (mayor) says Tulsa is safe! Safe my arse! This old Reb was born and raised in Tulsa. I moved out sixteen years ago and when I come back into Tulsa, I carry a gun! I refuse to be a victim because of some do-gooder politician who wants to get re-elected, and do more damage to our rights and our freedoms.

What the politicians disregard is the fact that D.C. is the property of the citizens of this country and NOT their private palace complex. "We the people" have the right to tear it down to the ground if we so desire. It doesn't belong to Nancy PP or Schumeroid or Bite-me! It all belongs to us!!

"We the people" have the right to January 6th the hell out of it, if we damn well want to! It belongs to "we the people!!!"

Viva Trump!!!!

Time for this old Reb to ride.

"Give 'em hell, Mr. Harris!"

"They are scattering, Captain! Keep it up!"

"Here come the other boys! Rhea! Rhea!"

"I'm alright! The Colby's are here with me!" Glad to see you, husband! They hit us about an hour ago! I guess we'll need to build a new bunk house!"

"Anyone hurt?"

"No! Just the Indians! Two on the porch, one out back, and a few more by the wood shed!"

"We need to head to the Corporal's house, boys!"

"Aye, Captain!"

"You stay with Ms. Rhea and I'll go with the two Bob's!"

"Hurry, Mr. Harris! Hurry!"

See you on the bridge!

P.S. the incompetence of our so-called leaders is outstanding and they want to be re-elected to finish us off.

Lankford has a yellow streak running all the way from the floor to the top of his head. We need someone who will tell Nancy PP and Schumeroid to stuff it and charge them with high treason! Lankford took their deal and shot us in the back over the January 6th protest! Enough! Enough! Enough!!

P.S.P.S. "The deer aren't running around in Kevlar vests, for god's sake," Joe Bite-me. Well, Joe, the 2nd Amendment wasn't put there for hunters. It was put there so that we would have the power to reject an overreaching government. And here we are. Stand for freedom or be ready to be a slave to those in power. No one in Washington is fighting for "we the people."
