## GOVERNMENT ANTAGONIST AND HUGUENOT

The arraignment of Trump is the arraignment of the Republican Party, when we all know who the real criminals are! Bite-me had documents in his garage and other locations that he illegally possessed! The whole family is guilty of treason and the only reason these witch hunters are after Trump is to keep him out of the White House, and nothing else!

This is exactly the kind of tactics the Nazi's used to gain power and control. One of the world's greatest frame jobs. All this to cover up while the entire Bite-me mob is under investigation for capitol crimes and treason. So much evidence against Hunter, it's not funny. And, still, there is Hillary. Yet, the Republicans can't win even a Pac Man game against these maniacal monsters! What woosies!

All in our government are corrupt and bought off! You name the agency that is still working for us! I dare you. It no longer exists. The closer we get to Joe, the more the Ukraine will escalate and the more brazen the Chinese will get!

The democommies call us seditious. Being found guilty of sedition under King George was a hanging offense. When will the scaffolds go up for public hangings? People like myself would be among the first. Anyone with a free thought would be next.

THAT is how it is in Communist China. You know, Uncle Joe's partners in crime! Re-education camps or shot in the back of the head, while on your knees!

Personally, I have had enough of being told I have to call a criminal "president," with a gun at my head. It seems you have to be super rich and super corrupt, with titles, to stay out of jail. If you don't believe me, just ask the January 6th patriots now being railroaded to jail by the very same criminals who want to rule us all!!

This is our country and these criminals work for us... they didn't forget, they just blew it off!! It was easier to rob us blind!

Time for this old Reb to ride!

"Mr. Harris, Little Bob, you keep close eye on young Colby. We want him to keep that pistol in his belt."

"Aye, Captain! We'll keep him very close."

"That's good, Mr. Harris! We want him to point out those two cowboys he saw, and we're going to follow them to the rest (if we are lucky). Then, if that boy wants to shoot the scum who murdered his father, then so be it! We'll hang the rest!"

"But, what if that bad man is faster on the draw, Cap?"

"It doesn't matter. We'll take the bullets out of that cow tic's gun!"

"I like that, Cap!"

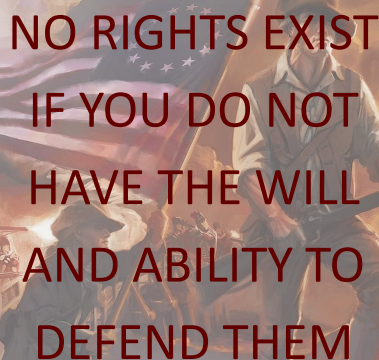

See you on the bridge!

P.S. Blinkin' Blinken comes home with patches on the knees of his trousers after groveling on his ever loving knees to #11 (Xi) in China! It's because, like any other mob boss (Xi), he wants to know why he's not getting his money's worth... after all, he is paying Uncle Joe and his stooges for it!!!

By the way, Joe says, "Long live the queen." So, has Bonnie Blue Charlie gone gay?

Anyone know how much materials and money it will take to build a bridge from here, over the Indian Ocean? Uncle Joe said it was in the works.

P.S.P.S. The DOJ's witch hunter, Robert Mueller, does not actually have any legal standing, because he is not a United States Attorney. The DOJ used "regulations" to grant him "all investigative and prosecutorial functions of any United States Attorney." #1, a regulation is not a law/statute. #2, all federal offices are required to be "established by law" and there is no such law/statute permitting Mueller to act like what he is not. A United States Attorney must be appointed by the president and approved by the Senate. Mueller is not a U.S. Attorney, nor is he functioning as an assistant to any U.S. Attorney. But, as we all know by now, the law does not apply to democrapts.
