

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Democrap! Democrap! Democrap! Another moron pops out of the Democrap woodwork to tell everyone she was sexually assaulted by Trump decades ago! What losers! They can't impeach him, they can't do anything but spend our money trying to interrupt his presidency... so they back up and go back to their same old sex ploy accusations! Ever wonder why no one

has ever accused Nancy PP of fondling or making advances on anyone? Take a good look at that corrupt bovine methane queen! Who in their right mind would even try? What a geriatric twittttt!!

It's obvious what is in the minds of the Democraps, after all, they are responsible for legalizing porn, "A?" Don't believe me? Then why is there a Hustler adult toy store in Tulsa? Here... in what is known as the "bible belt?"

Did you see the picture of the imbecile woman they dug up for their latest sexual assault ploy? Definitely not Trumps type! Look at her, then look at Milania. Why would he go for the VW when he can have a Ferrari, "A?"

Time for this old Reb to ride! There were the boys, loaded for bear as we pulled up in our buggy! "What are you boys all loaded for?" I asked. Big Bob said, "When the Bar T Vaquero showed up and told us where you were, we decided we should come and find you!"

I said there wasn't any danger. Rhea was with me, with her pistol. About the time I said that, Rhea said, "Mr. Harris, I believe you have something of mine!"

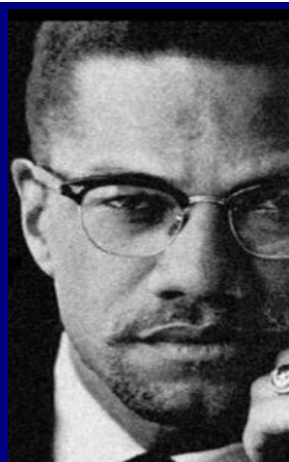

"I do, indeed, lass!" as he reached under his vest and pulled her pistol from his belt and handed it to her.

"The Democrats are playing you for a chump and if you vote for them, not only are you a chump, you are a traitor to your race!"

**Malcom X 1965
(murdered just 2 days later)**

"This so-called Civil Rights proposal, which the president has sent to Capitol Hill for enactment into law, are unconstitutional, unnecessary, unwise, and extend beyond the realm of reason." Democrat Strom Thurmond, 1964.

Democrats filibustered the Civil Rights Act legislation non-stop for 71 days. Lyndon Johnson signed Civil Rights into law and explained his abrupt decision to sign the legislation by saying, "I'll have those n***s voting Democrat for the next 200 years." referring to his Great Society welfare state.**

"You mean we were totally unarmed?"

She said, "I didn't want to provoke our guests!" I felt a little shell shocked. Then she said, "Let's go to town ant tell papa we're getting married!"

The boys started laughing as we headed to town. She must be an angel. We still have our hair!!

The corporal came riding up, looked at us and said, "Where are we going?"

We all broke out laughing!

See you on the bridge!

P.S. Trump should just do it and turn Iran into a radioactive sheet of glass, and get it over with! We have fought these criminals in sixteen

crusades, now going on number seventeen. Let's end it for good!

P.S.P.S. the Democraps are eating each other. With over twenty crackpots that want to run for the presidency, I wonder when their real candydate is going to step into the ring?
