

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGENOT

This thing concerning Snowden and the NSA... Obama and the rest of our illegal government remind me of "The Wild Bunch" chasing down a witness who saw them robbing stages and banks, to shut him up. Don't you think it's strange that the biggest usurpers of our constitution are so afraid of this man? He didn't reveal national military secrets. He revealed the criminal activity that is being waged as war upon the citizens of this country.

To any who think what Obama is doing is for our greater good, I say you have the I.Q. of the extinct dodo bird! You know why the Democrats want 20 million illegals to vote? It's because they are "The Wild Bunch." they are the ones chasing Snowden, not Republicans and Independents, Tea Partiers or Libertarians!

The Democrat party is the party of Outlaws! The worst of the worst... Obama—a disbarred criminal, Biden—a liar and thief, Reed—a traitor to his country and constitution. All these scum took oaths to uphold the constitution, pledged allegiance to a flag they insult and the laws that they ignore.

Do you know why the English made their evil King John sign the Magna Carta? Do you know why our Founding Fathers sent the Declaration of Independence to King George and wrote our own version of their sacred charter? It's called tyranny, usurpation of the rights that all were given at birth by our creator. So, how do you know when it is time to arm ones' self against an "Outlaw" regime? When those who represent us give unto themselves grand titles and begin to take that which belongs to the people and give it to themselves, jail us without due process or force us to "shelter in place" (otherwise known as "Martial Law")... then it is time.

They, the politicians, have in place collaborating military officials willing to protect them. What have you got? Your family dog? Your piss-ant little .22 pistol? These intended rulers

have planes, bombs, missiles, machine guns, artillery, tanks, ships and "Killer Drones." You know what? Obama, Nancy P.P., and Harry Reed are more than willing to use that stuff on you, me, anyone else who gets in their way of becoming our next royal rulers.

Remember, whatever you do, don't kill the King's deer if you're starving or he will hang you for it and throw your family into the street, destitute! "Long live the King!"

Time to ride! McClellan seems to think we've got a hundred thousand troops and won't commit to attack! What a dope! There are really only about thirty thousand of us! I heard he requested more troops! What an idiot. Sound familiar? He has a hundred thou himself.

See you on the bridge!

P.S. If you're not ready, get ready! You haven't much time. I remember talking to a woman years ago—a wife of a friend. They were splitting

up, so she rented an apartment in Gilcrease Hills in Tulsa. When she said where, I looked at her and suggested that she get herself a big dog, a gun or both. Two weeks later, she was murdered horribly in her apartment with her two babies left to themselves with their dead mother for several days. One child just a few months old, the other a year and a half. The killer is still loose, as far as I know. And that was nearly thirty years ago.

So what the Reb is saying is, "to arms!" Don't wait until it's too late. Don't be fools and let them lead you off into the night!!!

P.S.P.S. So, you Democrats! How does it feel to be members of the Mob? Accessories to the worst of the worst! Obama thinks you all are so stinkin' dumb, you will never figure it out. You have been conned to the hilt. What say you? Dummies! The Reb says he's right!

"Find out just what the people will submit to and you will have found out the exact amount of injustice and wrong which will be imposed upon them; and these will continue until they are resisted with either words or blows, or both. The limits of tyrants are prescribed by the endurance of those whom they oppress."

- Frederick Douglass

"The trade of governing has always been monopolized by the most ignorant and the most rascally individuals of mankind."

- Thomas Paine
