

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Trump has the delegates and the GOP wants to change the rules because they are a bunch of cry baby losers! They only want to keep the same old crappy system whilst they live over us all in collusion with Hillary and the Democrap party!

McConnell and the rest are treading in treasonous waters. It seems they have ignored the fact that the people are their bosses and they have been doing what they damned well please long enough!

Hillary thinks she has it bought and paid for... After all, McConnell would rather see the treasonous woman as commander and chief than step aside and do the right thing for his country. Stop attacking the citizens of these United States and start attacking our enemies. Our enemies being Islam and all the little gang-bangers the lie-yers set loose on us, on a daily basis, just to line their pockets with gold, while we suffer with little or no defense ourselves!! This is how the corrupt keep us from our freedom, while they rule over us using our money and power against us.

To Hillary and Obama we are the little people who cannot rule ourselves so they, in their evil, but benevolent way, must supervise us to be sure we are all good little boys and girls... otherwise "slaves."

Build the wall, stop Islam and their world of corruption, will crumble into the past.

We need a Vespasian, a Trump, to see our back-peddling to an end, and deal with the economy and make it solvent once again. We need to send Hillary and their kind packin'

as Granddaddy did (as a constable) when the gypsies tried to steal my mom when she was a child. So... he and real men did what needed to be done and escorted them out of the area and told, "don't come back."

Time for this Reb to ride! We were rounding up strays and a snake spooked my horse, who left me stranded in nowhere.

Doesn't that just wrangle your spurs? I guess I'll just start walkin'! It seems my path is blocked by a rather large and mean looking longhorn steer!

Tell you how it works out later!!

See you on the bridge!

P.S. This old Reb has found a lawyer worth his fee. You know how this Reb hates a crooked lawyer. Thank God there is hope yet on the horizon. Now, we only need nine more good men!!

P.S.P.S. The Democrap sit-in didn't exactly work out, did it?!

"There are risks and costs to action. But they are far less than the long range risks of comfortable inaction."

"Conformity is the jailer of freedom and the enemy of growth."

John F. Kennedy
