

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Putin is laughing his arse off after Bite-me's imbecilic visit with him. I'm sure Putin is thinking some of the best comedy acts come from the good ole U.S. of A. The problem is that this was one of the worst, after all, the star of the show kept forgetting his lines.

Now some Republicans are calling for old Joe to take a cognizance test to see if he is competent to continue on. This was all pre-planned. No one ever imagined Joe even serving one year as usurper! God only knows who the Democraps have warming up in the bull pen. Even the Iranians have told old Bite-me to shove it.

Like I have said before... when weakness is apparent, our enemies become emboldened to do as they please. And what a weak bunch of criminals the Democraps are. Inept? No, and NOT dangerously incompetent... the Democraps were the Tories, who never wanted to part with Europe and everything they do is toward returning control to Europe. America is truly the last refuge.

You know, little things like making D.C. a state, leaving the border wide open, making Puerto Rico our 52nd state and putting them in charge of guarding all of our southern hemisphere interests! "A?" So, in Puerto Rico they know a lot about baseball, but what do they know about global nuclear war? "A? A? A?!"

The Camel went to Texas. My! My! My! What for? She hasn't got a clue! Some Border Czar, "A?" She won't ever go where

the real problem is. After all, she is part of the problem!

Time to ride for this old Reb!

"Back to Texas. I can see the dust from the herd, Mr. Harris."

"Aye, Captain, can't wait."

"Wait for what, Mr. Harris?"

"Beans, Captain! Beans! Beans for breakfast, lunch and dinner!"

"Beans are the backbone of the west, Mr. Harris. By the way, Mr. Harris... that dust seems to be coming our way. I wonder what leads it this way? Why don't we take cover and see what comes our way!"

"Aye, Captain! I don't think it's a herd of cattle!"

"Neither do I, Mr. Harris, Neither do I!"

See you on the bridge!

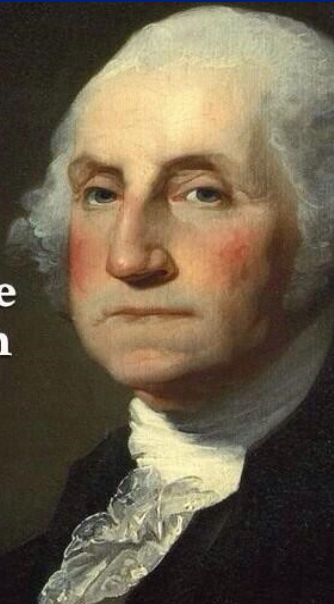

P.S. They are back on the gun control thing again. You can't be a successful

Commie or Little Hitler if you haven't got all the guns! Someone might take offence and shoot back!

P.S.P.S. So, they want to move the freeway bridge on 244 out of Black Wall Street... to the tune of how many millions? \$172 million? Wouldn't it be cheaper to just move the Black Wall Street over a couple of blocks? Where do you think they propose to move the bridge? "A?" Ahhhh, Democraps. All they know is that they want! Never do they worry where the money comes from, as long as it comes from you, the tax payer, as usual! After all... we are the money tree.

"The time is near at hand which must determine whether Americans are to be free men or slaves."
