## GOVERNMENT ANTAGONIST AND HUGENOT

My! My! My! All I have to do is turn on the TV, open the newspaper or just turn on the radio and my point is made for me! Now we have Mr. Harris (Tulsa County District Attorney) wanting to show us all what a big boy he is by spending an astronomical amount of taxpayer money to bring some old geezer-mobster (James “Whitey” Bulger) to our wonderful state for trial for crimes committed 3 decades ago! By the time Boston finishes with this 81 year old codger he will be dead or on the verge of being so. What the hell? What waste—and this comes from a man who thinks that we are all just individuals and potential defendants, not taxpayers!

This is exactly the kind of thing I talked about in my first newsletter. The only people who will benefit from such a monkey trial will be the “Liars,” excuse me, I meant “Lawyers,” who will pocket thousands of taxpayer dollars! Later, Mr. Harris will tell you what a great job he is doing to fight crime and ask to be elected to an even higher post in order to get richer at your expense... and spend you mindlessly into “never-never land!” So, how does it feel to be bent over and reamed? Well, if you let this man loose on your wallet, you will soon know!

He is not doing a good job! There are more gang-bangers running Tulsa than ever before! He says it’s because there isn’t enough money! He is probably right on that point because he keeps letting them go... and we have to keep chasing them down again and again and again... so Mr. Harris can keep the Bar Association’s banking system open 24 hours a day, 7 days a week, 365 days a year, year after year.

And then all we need is to take care of some Old Fart (James “Whitey” Bulger). Even the family of the man this gangster had murdered in 1981 is against bringing him here for trial!

So I say, “*What the hey?!?*”

Let Boston have him Let them spend all that money and the same result will occur! This old murderer will go to meet

his God and justice will be served for all of us. Mr. Harris—sit down and shut the hell up - unless you are going to pay for it yourself!

Mr. Harris reminds me of another man within our judicial system by the name of Tim Alban. If you remember, he ran against Stanley Glanz for sheriff a few years ago. Mr. Alban once said to me that “only the police and military should have firearms.” Excuse me but “Sieg Heil, comrade!” *What do Fascist mean? What do incompetent mean?* These people have got to be vented from our justice system! Like I said before: Enough! Enough! Enough!

P.S. I don’t know why I call him “Mr. Harris” - what I meant to say is “Timmy” sit down and shut the hell up! Eat your dinner and keep your hands out of mine!

See you on the bridge!

“Rebels Ride” when freedom cries out for help from drowning!

I am from a long line of rebels... we stood down the British with our first rebel flag—the Stars and Stripes!

“It is to be regretted that the rich and powerful too often bend the acts of government to their own selfish purposes.”
