

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGENOT

It seems that it is time to tell you where Islam really comes from. Once upon a time, deep in the land of camels, there existed nothing but pagans worshipping their gods of old - merry making and plenty of good old sacrifices to many deities of assorted powers and jerking off abilities. And then, one day a poor, illiterate, ignorant, senile goat herder who has too much to smoke starts jabbering incoherently. Those around him take this as a divine sign from down below, so they start to recant his droolings with a small twist or two on the truth. So, not to be outdone by the Jews and Christians, they, too, now only have one god!

But here's the clincher. It seems that they just eliminated all the other gods they gave homage to and just kept their head pagan god in charge; his name was Allah. "Gee," who could have imagined that? I mean, don't want to dump the whole thing in the dumpster. As well, they kept their pagan alter, on which they used to sacrifice to the old group.

But, once again not to be outdone by the Christians and their cross, they decided to claim that their old idol stacked alter was actually the rock on which Abraham almost sacrificed his son. My! My! My! How convenient! Waste not my son. We'll make it work by killing anyone who calls us liars! But, of course, this is what all liars do to cover up the truth and enslave others to their will. They call it Meca and make pilgrimages to it every year!

Allah and Jehovah are not the same god. Not by a long shot! That's why they are afraid of Christianity. The truth hurts. The truth, if spoken, would destroy their pagan hold on their "subjects," and they know it. That is why it is death to preach about Christianity in Muslim nations. That is also why it is ok for them to lie to us or kill us. To perpetuate the lie and to keep people from the truth, while their rich rulers keep it all for themselves.

The difference between Mohammed and Christ: Mohammed says "convert or die!" Jesus says "Love thy neighbor and give

him sustenance and life, even if he does not believe the same as you." Through love the truth will be seen, for Jesus offers life!! Did he stop the stoning or participate? Mohammed would chuck the first rock! After all, who are the Muslims? They are in the Good Book: they are the Hittites, Assyrians, Egyptians, Canaanites and Persians. The same people, Samson blinded and tied between two columns in their temple, showed them the way to Hell in the name of our creator, Jehovah! The same God that dictated the ten commandments to Moses on the mountain.

I've not been a very consistent son to the Father. We often argue and fight with each other, like all children and their dads.

But the love is still there - and also my loyalty. If he calls, I will stand without hesitation and do as David did before Goliath (one of their ancestors). I shall have no fear! How about you? Because we are being called now to stand. Our sons and daughters are all over the world in Islam, everywhere, dying to give life and freedom to them all, while Islam stabs them in the back each and every day.

Well, the Rebel is on the move. The night sky is alight with artillery explosions on the horizon and its resound! I shall rush to it!

See you on the bridge!

P.S. I am now a target for every crazy Muslim zealot on the planet. I did it for you! I did it for Jehovah, my Creator! Do not squander this gift I have given to you, because this may mean the Reb's life. I will have no fear! And, if I made someone mad... then I did my job!

P.S.S. My sources for this information are "Ancient and Medieval History" by Macmillan Co., printed August 1958, and the Good Book! Go ask the Pope if you don't believe me. Or, if you consider yourself literate, look it up yourself.

"The precept of the Koran is, perpetual war against all who deny that Mohammed is the prophet of God. The vanquished may purchase their lives, by the payment of tribute; the victorious may be appeased by a false and delusive promise of peace; and the faithful follower of the prophet may submit to the imperious necessities of defeat: but the command to propagate the Muslim creed by the sword is always obligatory, when it can be made effective. The commands of the prophet may be performed alike, by fraud, or by force."

"THE ESSENCE OF HIS DOCTRINE WAS VIOLENCE AND LUST: TO EXALT THE BRUTAL OVER THE SPIRITUAL."

(Adams's capital letters).
