## GOVERNMENT ANTAGONIST AND HUGUENOT

I got down off my horse and stepped in some shifting Democrap. In case you haven't noticed, we are at war with the completely mad left and their undocumented mercenary army with a bartender leading the way. Nancy PP's reign in the Democrap party is fading, so she is doubling down on her attacks on Trump.

You know, you and I are paying for her frivolous tirade! I want my money back! I wonder how she would pay back the American people? I don't take plastic! I don't take checks! And, my god! Who would want to take it out in trade? "A?"

By the way, where the hell is Lindsay Graham? Sitting on his hands as usual, doing nothing, not even his job (we pay him to do).

As far as the illegal invaders go, I say don't give them the chance to raise their flags over our soil. We need to send them packing, back to where they came from, along with these leftist wack jobs who are helping them.

Let Trump do his job. The Democraps call him the worst president in history. They seem to have forgotten, on purpose, the pedophile Willie Billie and Obama Pie, the man who put us into \$22 trillion in debt (and had us groveling at our enemy's

feet, telling them how sorry we are for defending ourselves from your attempts to destroy us).

Well, it's time for this old Reb to ride. Most of the boys and the two Bobs have left with the drive north. I can't quite sit

my horse yet, so I'm going to ride the chuck wagon for a while.

Kissed my angel goodbye! Mr. Harris and I are off, although I think I may be invading his space. The corporal is in charge while we are gone. He says he hopes it's short trip! Me, too!

Rhea says, "Come home in one piece for a change!"

See you on the bridge!

P.S. If you can charge a billionaire and try him for pedophilia, then why can't we try Willie for the same, since he was

### If Illegals left America:

**1/2 a million criminal alien inmates cost us  
1.6 billion per year for incarceration  
—28% of inmates are illegals**

**Over \$80 billion leaves our economy  
and is sent to alien's home countries in cash transfers**

**\$27 billion spent by primary and secondary  
public schools for illegals**

**\$190 billion annually for welfare and  
social services for illegals**

**\$200 billion in suppressed wages caused by illegals**

**Estimated total overall cost: \$525.5 billion annually**
