

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Cuba!! Cuba is about to realize the definition of counter revolution—it's called "Freedom!" We hope!! I was seven years old when the murdering basteroid took over in Cuba. Then came the missile crisis with Castro and the Russians threatening the good old U.S. of A. with nukes, just ninety miles off our coast. Oh, well, they meant no harm, "A?"

This has got to have Bernie doing hand stands and double back flips. I would think that Raul is doubling up on murder and intimidation of the opposition. Do you suppose Raul will find out what Gaddafi was feeling as he was being shot with his own gun?

Just think of all the vintage cars that might be available to collectors the world over. After all, Castro and his cronies are the only ones in Cuba that own a car newer than 1958!!!

Just think of the millions to be made in the used car business. I can see it now, "Hot Rods of Cuba!" Now, I'm thinking '55 Corvette or '51 Jag, "A?" I wonder if the hotels and casinos will come back.

Bite-me hasn't said diddly about what he is planning, since our base there has got to be on high alert. I'll bet old Joe hasn't got a clue. He is busy brokering Hunter's so-called art. My dog and cat have more talent, not to mention Cocoa the gorilla! Michael Angelo is doing double backflips in his grave; they can't stop him laughing...it's really disturbing the tourists. Dante's Inferno was said to be covered in ice with a note from Satan, "Gone to the Gobi desert, Hell is freezing over!" Pigs were seen flying over D.C.!!

Time for this old Reb to ride!

"Cap, the dust cloud is getting closer. There is a small rocky rise. I think we should head for that; there is only five of us, Cap!"

"Well, Mr. Harris, there is only four now! Bill Colby, you're the youngest and best rider. Take my horse and head for the herd. They can't be too far ahead now. Bring help! I think we are going to have feathered visitors! Ride, boy! Don't stop

for nothin'!! You ride that horse to death if you have to!"

"Good luck Captain! I won't let you down! Come on boy, let's get!!"

"Mr. Harris, let's get ready!"

"Aye, Captain!" I was once in a similar situation in India."

"What happened, Mr. Harris?"

"We all died!"

"Hilarious, Mr. Harris! Just hilarious! They look like Comanches!!"

See you on the bridge!

P.S. The Osage County Republican party voting to censure Senators Lankford and Inhofe! My thinking is, this:

Mr. Inhofe: Thank you for your extensive service, but, Jim, it's time to come home and enjoy the rest of your life with family and your aircraft. I really like the Stearman Biplane. So cool!

Mr. Lankford: You just didn't get it. We sent you there to back Trump and the conservative side. Instead, you kissed Nancy's Schumeroid and showed us all that in a pinch you are not our man! Come home! I'm sorry I voted for you! If you want to be an evangelist, get out of politics!! You went to D.C. and you took our money and when the battle got hot, you ran! What were you afraid of anyway? Afraid Nancy might slap your face, "A?"

P.S.P.S. About this so-called critical race theory! According to archeologists mankind got it's start on the African continent and then spread from there into Asia and Europe. So, it is logical that the basis for bigotry and racism got it's beginning there, and continues to spread the world over today. After all, the entire continent is on fire! All the time! Since the beginning of written history. Slavery, murder, wars of hate—from tribe to tribe, from country to country, from continent to continent! Who or what shall we hate or enslave next? *Thus endeth the lesson!*

The truth will set you free but first, it will make you mad! Are you mad?
