

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

"Ole" Uncle Joe meets Bonnie wee Charlie. What a pair. A guy who doesn't know what the blazes is going on and another who can't dress himself! Then Bite-me headed to the NATO Summit, where, of course, he made that a total bust for us. Yellen comes home with bruises on her knees from groveling in front of our enemies... and John Kerry shakes hands with Charlie Chan!

The biggest irony is that they are all stoned with the best coke the Chinese and the cartels have to offer as bribes. Make no mistake, my friends, we have been sold out!

The military hasn't enough weapons or ammo to defend us. "Ole Joe" is incompetent and not re-arming as he should. Why? Because he is totally incapacitated by dementia and we are being ruled by criminals! You know, the "Hole in the Wall Gang!"

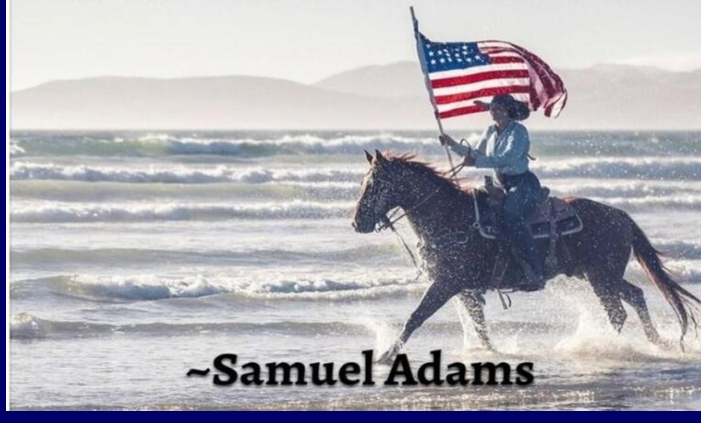

Meanwhile, V.P. Camel wants to reduce the population by 75 million. Didn't

the Third Reich already try that, even though they only did in 27 million total during WWII. That number includes 6 million European Jews. They weren't the only ones persecuted. Just remember, it was socialists and communists who did it!!! Think about it... democrapts call themselves socialists and, wouldn't you know it, little commie Bernie goes to the White House! What the hell for?

Meanwhile, Paris is on fire and now the government has passed a measure giving the police and government cart blanch to listen in on your phone calls. So much for freedom, "A?" And it was the French who gave us the Statue of Liberty. Now, where did liberty go? Anyone know?

Time for this old Reb to ride!

IT DOES NOT TAKE A MAJORITY TO PREVAIL, BUT RATHER AN IRATE, TIRELESS MINORITY, KEEN ON SETTING BRUSHFIRES OF FREEDOM IN THE MINDS OF MEN.

"These rustlers said they keep the cows hidden, then take out a few at a time and butcher them, then ship the hides and beef in wagons to fort Worth to sell. The head man is a local rancher, Captain! The man who shot the boy's father is his foreman."

"Well, Mr. Harris, we are going to get our cows back!"

"Aye, Captain!"

See you on the bridge!

P.S. The governor of Texas is doing the right thing by working to secure the border while criminals in D.C. protest keeping their new voters from crossing the Rio Grand, which is and has been a fairly impossible task since borders were established. Our government's most important duty is to protect our borders and they are trying to stop Abbott's work to do so. Biden actually ordered Texas to stop.

"Texas will see the Biden administration in court to aggressively defend our sovereign authority to secure the border." And Abbot assures us that he'll take the

fight all the way to SCOTUS if he has to.

Go, Texas!

P.S.P.S. Hunter Biden's sweetheart plea deal disintegrated in U.S. District Court Judge Maryellen Noreika's Delaware courtroom. She refused to be the DOJ's "rubber stamp" and said no to it all. Instead, real law actually happened! Hunter will be arrested if he... possesses a firearm at all, or any controlled substance that's not prescribed, or any alcohol. He has to seek active employment, submit for drug testing and get substance abuse therapy.

If he violates anything, his penalties will include an arrest warrant, forfeiture of bond and prosecution for contempt of court.

This Reb is impressed, but remains dubious!
