

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

The last three weeks have been unquestionably part of the big bang theory. Shooting of cops all over the country. Trump becomes the Republican candidate for president. Hillary buys the Democrap nomination and Bernie's people jump ship! Little Debbie "Snack Cake" Schultz screws up and gets hired by Hillary. Also, the DNC CEO and other officials have resigned because of the email scandal. It just gets better and better. Not to mention, Hillary's bold face lying interview on Fox news.

My god, the Democraps rigged a convention to choose a presidential candy-date. I mean, the shiite keeps getting deeper and deeper. They have a Muslim attacking Trump about their son dying overseas in "04." Hillary voted to send him there as a Senator. And, as far as the mother, she is bound by sharia law to do exactly as she is told, or she is a dead woman. She is a slave!

Whatever Hillary and her entourage does is nothing but smoke and mirrors. These people are definitely the most corrupt usurpers of our laws and our Constitution that has yet existed. Trump is the only common sense candidate. Elect Hillary-Dillary-Dock, we as a country will be finished.

And, who cares what Paul Ryan has to say? He lost along with that woosie Ted Cruz. Time to get on board the ship

or swim with the sharks. Remember, a vote for Hillary is a vote for Al Capone!!

Time for this Reb to ride. While watching over our mighty herd of sixty two long horns, I had to ask one of the other partners why he was called "Little Bob" when he was a very tall man of 6'3", and they called his brother "Big Bob" when he was of average height. At about 5'8". Little

Bob said, "Don't you notice how all the girls wave to him and blush when we go to town?"

I said, "Yah, so what?" Well, Little Bob says, he carries that iron on his hip, but he has a huge pistol in his...!!!"

See you on the bridge!

P.S. Obama Pie giving away \$400 mill to our enemies to so-called release hostages. Why couldn't they do that in Benghazi? "A?"

P.S.P.S. The shootings of our police officers are more proof of

the irresponsibility of our so-called leaders. It's part of Obama's plan of anarchy and chaos. More ammunition to try and take our guns. In reality, we need them more than ever. If the Bar Association actually did their jobs, we wouldn't be talking about anti-gun laws at all!!!

"When government takes away citizens' right to bear arms it becomes citizens' duty to take away government's right to govern."
- George Washington
