

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

My! God! The entire Democrap party traitors and imbecilic, incompetent morons! Diane Feinstein has been feeding our enemies information for twenty years through her Chi-Com driver for her own fulfillment of power. Access to Hillary and Billary, Obama Pie and Michelle Les Belle.

Treason! Treason! Treason! If you shoot into a crowd of Democraps you would hit nothing but traitors!!!! And they call Confederate Southerners of any color or relation or creed traitors! What a bunch of criminals and treasonous sons of beaches!

Feinstein should be stripped of her security clearances and immediately have her entire entourage put under house arrest and then debrief this Chi-Com driver (who will probably disappear) should be immediately detained, tried and shot as what he is—a spy.

If this were you or me, the old Reb, we would have already disappeared and been dealt with. I'm tired of the duplicity of the so-called representatives and senators—they are never interested in anything else but their own pockets filled with our gold.

And they claim it is for our benefit, then sell us out cheap for power, gold and title!!!

Time for this od Reb to ride. We crossed the Red River with the loss of one man and a few head of cattle. The Comanches following disappeared when a storm interfered. One of the Bar-T boys stepped down off his horse to relieve himself. A bolt of lightning hit his horse, killing it instantly and sending him flying. It blew the shoes off the horse's feet, set off the rifle on his saddle, all the other bullets in it exploded. He wont be hunting with that gun again! His right eye finally quit twitching after about a day and a half!

See you on the bridge!

P.S. Is it now the norm that our congressmen are treasonous and above us all?

Sturmabteilung ("Storm Detachment") Aka "Brownshirts"

In the 1920's and 1930's the Nazi *Brownshirts* had a major role in Hitler's powerful rise to complete control of Germany. Their job was to protect Nazi rallies and, especially, to disrupt the the rallies and events of opposing parties... and perhaps most important: intimidating Slavs, Gypsies and Jews.

Millions went to death camps from 1933 to the end of WWII

Note his arm band!!

Of course, by 1934 Hitler had received all the help he needed from the *Brownshirts*... and the "Night of the Long Knives" - a blood purge - resulted in their being slaughtered.

P.S.P.S. ANTIFA? Brownshirts?
