

# The Rebel Speaks

## GOVERNMENT ANTAGONIST AND HUGUENOT

Think about this: Custer was a Democrap and was about to run for president. What if his little adventure on the Rose Bud had been successful?!

That brings us to Joe-blow Bite-me Biden... I would suppose he will do the same thing and shoot his own horse in the back of the head and strand his campaign on the proverbial prairie. "A?"

Then "Pocahontas" will be the front runner. Have you ever wondered why they—the social media—never show the Crazy Horse monument when they show Mount Rushmore? That's the media... they are happy with replacing those who really belong here with those who do not... and that equates to Republicans and anyone else who resists the Democrap, who are now telling us that resistance is futile!!!

They wish to add us to their socialist or commie collective. You know, part of the hive. After all, they need worker bees to service the many queens who will need servicing, i.e. Nancy, Kamala and the other Democrap women of our nation's apocalypse!

Time for this old Reb to ride. Trail tragedy!

"Our scout says he found a wagon, captain, with a family inside—all dead of small pox. Their animals dead from heat and

no water. He had no choice but to burn everything."

"Mr. Harris, have you ever seen such a thing?"

"One time, a long time ago! We must put distance between this place and ourselves. Then keep watch on everyone around us, captain! My god!"

See you on the bridge!

P.S. Epstein dead! Suddenly evidence is discovered, revealing names of his pedophile buddies. I wonder how many of our esteemed Washington aristocracy will run? How much will be covered up? "A?"

Willy-Billy Clinton has been his close friend.

P.S.P.S. The new gun legislation in Congress will be nothing less than confiscation. It's starting, ladies and gentlemen. The first big step! We must be disarmed at all cost! Socialism or Communism depends upon only the state having weapons... so does an aristocracy (not to mention

the elimination of free speech)!!!

Criminals have no fear, because the Bar Association (Liewers) won't execute them!!! If we do, we cut off their river of money!!!!

Guns don't kill people, people kill people with guns!!

### To conquer a nation, you must 1st disarm its citizens
