

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Shall we go quietly into the night? Or should we say, “no, hell, no!” I won’t be forced by anyone, anywhere for any reason to do what I know is not right!

Forced compliance! Nothing #11 (Xi) doesn’t do on a daily basis! “A?” How about Raul down in Cuba... talk about force compliance. By the way, Raul has vanished! And then there is Teran, the most sophisticated regime of torment, torture and forced compliance in the world!

Now we have employers threatening people with their jobs. I say, walk out and take your skills elsewhere, same to businesses like restaurants, hotels, etc.; fight fire with fire! Then the question comes to mind, who the hell gave the CDC governmental powers? How dare anyone to say it’s unpatriotic not to get the shot. Just how patriotic are *they*, defunding the police, allowing riots, burning our cities, defrauding the American people and inserting criminals into our country’s highest offices.

By the way, anyone seen the Kamel? Is she hiding out in America’s only wild herd of camels in the desert of Arizona... left there by the U.S. Army as a failed experiment? She did, however, pop up the other day to giggle. Sounds like socialism and communism, “A?”

Well, time for this old Reb to ride.

“Captain! There are riders coming from the north. They are headed in fast! It’s the Colby boy and the men from the herd. “

“You’ve got a good boy there, Colby!”

“Thanks, Cap!” I think so!”

“Say, boy, glad you were quick!”

“No problem, sir! This big boy can travel, sir!”

“How old are you, boy?”

“19, sir!”

“Then stop calling me sir and call me what everyone else calls me!”

“Yes, ‘sir, Cap!”

“And the horse is yours! We’ll swap saddles later!”

“That’s one proud young man, Cap”

“You bet, Mr. Harris! Mr. Colby let’s head to the herd. So, Corporal, it’s been awhile since you pounded hoof like that.”

“Yep! I’ve been living with women too long. I’m thinking it’s going to be hard living with that Colby boy’s big ego for a few days!”

“Mr. Harris, corporal, Mr. Colby! Let’s go to Kansas!!!” We’ll drop these deserters off to the army as soon as we get close to Fort Sill!

See you on the bridge!

P.S. It seems there is a greater maestro of the arts than Hunter Bite-me in our own zoo in Tulsa. You know what? She is an elephant. True art by Sooki! By the way, Hunter is now up to five (5) lost lap tops and counting. Do you suppose Hunter can spell hooker? At least his dad is a good sport and lets Hunter use the presidential credit card!

P.S.P.S. Since we have pulled out of Afghanistan, the capital has fallen to the Taliban. Thank you Big Joe! So, how many American boys and girls died for nothing because of totally rotten leadership? How many billions of dollars did we spend? All for

HOW TO TRANSFORM AMERICA TO A SOCIALIST STATE

Healthcare—take control and control the people

National Dept— unsustainable debt, massive tax increases

Education—take control of what children learn in school

Class Warfare—divide the people against each other

Welfare—take control of food, housing and income

Media—take complete control of what people read and listen to

Poverty—people wont fight back if you are providing everything

Religion—remove the belief in God from government and schools

IT’S ALL ABOUT CONTROL
